If such other entities or signatories are required to provide Institution Level Reports, Transaction Level Reports, Financial Reports, or other documentation that the Fund may require, the Awardee is responsible for ensuring that the information is submitted timely and complete. The Fund reserves the right to contact such additional entities or signatories to the Assistance Agreement and require that additional information and documentation be provided. The Fund will use such information to monitor each Awardee's compliance with the requirements set forth in the Assistance Agreement and to assess the impact of the NACA Program. The Institution Level Report and the Transaction Level Report must be submitted through the Fund's web-based data collection system, the Community Investment Impact System (CIIS). The Financial Reports may be submitted through CIIS. All other components of the Annual

Report may be submitted electronically, as directed, by the Fund. The Fund reserves the right, in its sole discretion, to modify these reporting requirements if it determines it to be appropriate and necessary; however, such reporting requirements will be modified only after notice to Awardees.

2. *Accounting:* The Fund will require each Awardee that receives FA and TA awards through this NOFA to account for and track the use of said FA and TA awards. This means that for every dollar of FA and TA awards received from the Fund, the Awardee will be required to inform the Fund of its uses. This will require Awardees to establish separate administrative and accounting controls, subject to the applicable OMB Circulars. The Fund will provide guidance to Awardees outlining the format and content of the information to be provided on an annual basis, outlining and describing how the funds were used. Each Awardee that receives an award must provide the Fund with the required complete and accurate

Automated Clearinghouse (ACH) form for its bank account prior to award closing and disbursement.
