SUPPLEMENTARY INFORMATION:

A. OMB Control Number, Title, and Any Associated Form(s)

9000–0136, Commercial Acquisitions.

B. Need and Uses

This clearance covers the information that offerors may be required to submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.212–3, Offeror Representations and Certifications—Commercial Products and Commercial Services. Paragraph (b)(2) requires offerors to identify the applicable paragraphs at (c) through (v) of this provision that the offeror has completed for the purposes of the relevant solicitation only, if any. The provision stipulates that any changes provided by the offeror under paragraph (b)(2) are applicable to that specific solicitation only, and do not result in an update to the representations and certifications posted electronically in the System for Award Management. The contracting officer will use the information to determine an offeror’s eligibility for award, and to incorporate appropriate terms and conditions into a resulting contract as appropriate.

C. Annual Burden

Respondents: 140,055.
Total Annual Responses: 414,909.
Total Burden Hours: 207,455.

D. Public Comment

A 60-day notice was published in the **Federal Register** at 90 FR 14450, on April 2, 2025. Three comments were received; however, they did not change the estimate of the burden.

Summary of Comments: A respondent indicated that the collection is a good way to make sure the project can achieve its objective. Another respondent indicated that the collection ensures offerors take responsibility to comply with the regulatory requirements. Another respondent expressed support for the collection to prevent waste, fraud, and abuse.

Response: The respondents’ input is appreciated. The respondents did not oppose the extension of the collection of information.

Obtaining Copies: Requesters may obtain a copy of the information collection documents from the GSA Regulatory Secretariat Division by calling 202–501–4755 or emailing GSARegSec@gsa.gov. Please cite OMB Control No. 9000–0136, Commercial Acquisitions.

9000–0032, Contractor Use of Interagency Fleet Management System Vehicles.

B. Need and Uses

This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 51.202—For the contracting officer to authorize a contractor’s use of Interagency Fleet Management System (IFMS) vehicles, this FAR section requires contractors to submit the following information:

(1) A written statement that the contractor will assume, without the right of reimbursement from the Government, the cost or expense of any use of the IFMS vehicles and services not related to the performance of the contract;

(2) Evidence that the contractor has obtained motor vehicle liability insurance covering bodily injury and property damage, with limits of liability as required or approved by the agency, protecting the contractor and the Government against third-party claims arising from the ownership, maintenance, or use of an IFMS vehicle; and

(3) Any recommendations.

FAR 51.203—Once authorized by the contracting officer, this FAR section requires contractors to submit their request for IFMS vehicles and related services in writing to the appropriate GSA point of contact and include the following information:

(1) Two copies of the agency authorization;

(2) The number of vehicles and related services required and period of use;

(3) A list of employees who are authorized to request the vehicles or related services;

(4) A listing of equipment authorized to be serviced; and

(5) Billing instructions and address.

The contracting officer will use the information to determine the contractor's eligibility to obtain IFMS vehicles and related services, and to authorize this use. The GSA will also use this information to determine whether appropriate authorization has been granted by the contracting officer.

C. Annual Burden

Total Annual Responses: 20.

Total Burden Hours: 20.

D. Public Comment

A 60-day notice was published in the **Federal Register** at 90 FR 14446, on April 2, 2025. A comment was received; however, it did not change the estimate of the burden.

Comment: The respondent recommended no private contractor be allowed to operate government fleet vehicles because of concerns of potential abuse or misconduct.

Response: The respondents' input is appreciated. Any changes to the collection of information on the use of fleet vehicles by contractors will require rulemaking.

9000-0184, Contractors Performing Private Security Functions Outside the United States.

B. Need and Uses

This clearance covers the information that contractors must submit to comply with the following Federal Acquisition Regulation (FAR) requirements:

FAR 52.225-26, Contractors Performing Private Security Functions Outside the United States. When

contract performance is required outside the United States in an area of combat operations or significant military operations, this clause requires contractors to ensure employees performing private security functions under the contract comply with 32 CFR part 159, and any orders, directives, or instructions that are identified in the contract for:

- Registering, processing, accounting for, managing, overseeing, and keeping appropriate records of personnel performing private security functions;
- Requesting authorization of and accounting for weapons to be carried by or available to personnel performing private security functions;
- Registering and identifying armored vehicles, helicopters, and other military vehicles operated by employees performing private security functions; and
- Reporting incidents in which personnel performing private security functions: discharge a weapon; are attacked, killed, or injured; kill or injure a person or destroy property as a result of conduct by contractor personnel; have a weapon discharged against them or believe a weapon was so discharged; or employ active, non-lethal countermeasures in response to a perceived immediate threat.

The Government uses the information provided to ensure accountability, visibility, force protection, medical support, personnel recovery, and other related support can be accurately forecasted and provided to deployed contractors, as required.

C. Annual Burden

Respondents: 28.

Total Annual Responses: 140.

Total Burden Hours: 70.

D. Public Comment

A 60-day notice was published in the **Federal Register** at 90 FR 14448, on April 2, 2025. Several comments were received from four respondents; however, they did not change the estimate of the burden.

Comments on the Need and Utility of the Information Collection: Two respondents expressed support for the collection. A respondent stated that "the collection of data on private security contractors operating abroad remains necessary for accountability and human rights monitoring, but the utility can be significantly improved by requiring disaggregation of incident reports by location, contractor, and demographic details (e.g., gender, nationality, civilian vs. combatant status)."

Response: The respondents' input is appreciated. Any changes to the
