ACTION: Submission for OMB review, comment request.

SUMMARY: The Institute of Museum and Library Services announces the following information collection has been submitted to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. By this notice, IMLS is soliciting comments concerning the continuance of the State Library Administrative Agencies Survey for FY 2020 and FY 2022.

OMB is particularly interested in comments that help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

Current Actions: The State Library Administrative Agencies Survey has been conducted by the Institute of Museum and Library Services under the clearance number 3137-0072, which

expires 01/31/2020. State Library Administrative Agencies (SLAAs) are the official agencies of each state charged by state law with the extension and development of public library services throughout the state. (20 U.S.C. Chapter 72, 20 U.S.C. 9122.) The purpose of this survey is to provide state and federal policymakers with information about SLAAs, including their governance, allied operations, developmental services to libraries and library systems, support of electronic information networks and resources, number and types of outlets, and direct services to the public. Through the FY 2010 collection, the SLAA Survey was conducted annually; beginning with the FY 2012 collection, the survey is conducted biennially. Because the FY 2020 collection will not begin until early 2021, we are carrying over the documentation and estimated burden associated with the FY 2018 data. This action is to request a new three year approval of the IMLS administered State Library Administrative Agencies Survey. The 60-day notice for the State Library Administrative Agencies Survey, FY 2020 & FY 2022, was published in the **Federal Register** on August 27, 2019 (84 FR 44943). No comments were received.
