SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Department of the Air Force, and additional information on the human remains and associated funerary objects in this notice, including the results of consultation, can be found in the related records. The National Park Service is not responsible for the identifications in this notice.

Abstract of Information Available

In October 2024, the Repository for Archaeological and Ethnographic Collections at University of California Santa Barbara (UCSB) found a teaching collection that included NAGPRA items which had been kept in a locked storage at UCSB. The Repository transferred the items to Vandenberg Space Force Base on 31 January 2025. The collection contained human remains, a bone cast, and associated funerary objects from two different archaeological sites, CA–SBA–208 and CA–SBA–225. The collection also contained associated funerary objects from cemetery areas of three different archaeological sites, CA–SBA–210, CA–SBA–552, and CA–SBA–734. Based on the information available, human remains representing at least two individuals have been reasonably identified. The 16 associated funerary objects including projectile points, shell beads and ornaments, stone tools, and animal bones were also found.

Determinations

The Department of the Air Force, Vandenberg Space Force Base has determined that:

- The human remains described in this notice represent the physical remains of at least two individuals of Native American ancestry.
- The 16 associated funerary objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- The Santa Ynez Band of Chumash Mission Indians of the Santa Ynez

Reservation, California has priority for disposition of the human remains and cultural items described in this notice.

Claims for Disposition

Written claims for disposition of the human remains and associated funerary objects in this notice must be sent to the appropriate official identified in this notice under **ADDRESSES**. If no claim for disposition is received by July 29, 2026, the human remains and associated funerary objects in this notice will become unclaimed human remains and associated funerary objects. Claims for disposition may be submitted by:

1. Any lineal descendant, Indian Tribe, or Native Hawaiian organization identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that they have priority for disposition.

Disposition of the human remains and associated funerary objects in this notice may occur on or after August 28, 2025. If competing claims for disposition are received, the Department of the Air Force, Vandenberg Space Force Base must determine the most appropriate claimant prior to disposition. Requests for joint disposition of the human remains and associated funerary objects are considered a single request and not competing requests. The Department of the Air Force, Vandenberg Space Force Base is responsible for sending a copy of this notice to the lineal descendants, Indian Tribes, and Native Hawaiian organizations identified in this notice and to any other consulting parties.

Authority: Native American Graves Protection and Repatriation Act, 25 U.S.C. 3002, and the implementing regulations, 43 CFR 10.7.

Notice of Inventory Completion: California State University, Sacramento, Sacramento, CA

AGENCY: National Park Service, Interior.

ACTION: Notice.

SUMMARY: In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California State University, Sacramento has completed an inventory of associated funerary objects and has

determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

DATES: Repatriation of the associated funerary objects in this notice may occur on or after August 28, 2025.

ADDRESSES: Send written requests for repatriation of the associated funerary objects in this notice to Dr. Mark R. Wheeler, California State University, 6000 J Street Sacramento, CA 95819, email mark.wheeler@csus.edu.

SUPPLEMENTARY INFORMATION: This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the California State University, Sacramento, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The National Park Service is not responsible for the determinations in this notice.

Abstract of Information Available

Associated funerary objects have been identified that originate from CA–PLA–2777 in western Placer County, CA. The one lot of associated funerary objects are one lot of items that may include lithics, beads, shell, glass, metal, and uncatalogued material removed from a village and historic cemetery site. The associated funerary objects were collected by California State University, Sacramento students during a survey project and have been stored at the University under accession number 81–116. The University is unaware of any treatment of the associated funerary object with pesticides, preservatives, or other substances that represent a potential hazard to the objects or to persons handling the objects.

Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

Determinations

The California State University, Sacramento has determined that:

- The one lot of objects described in this notice is reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between the associated funerary objects described in
