SUPPLEMENTARY INFORMATION:

Summary of Information Collection

This requirement provides for the collection of information from applicants for Department of Defense (DoD) Building Passes. The information collected from the DD Form 2249, "DoD Building Pass Application," is used to verify the need for and to issue a DoD Building Pass to DoD personnel, other authorized U.S. Government personnel, and DoD consultants and experts who regularly work in or require frequent and continuing access to DoD owned or occupied buildings in the National Capital Region.

Dated: August 2, 2001.

Patricia L. Toppings,

Alternate OSD Federal Register Liaison Officer, Department of Defense.

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. CP01-415-000]

East Tennessee Natural Gas Company; Notice of Certificate Application

August 3, 2001.

Take notice that on July 26, 2001, East Tennessee Natural Gas Company (East Tennessee), 5400 Westheimer Court, Houston, Texas 77056-5310, filed an application for a certificate of public convenience and necessity pursuant to Section 7 of the Natural Gas Act, as amended, and the Federal Energy Regulatory Commission's (the Commission) Rules and Regulations thereunder. East Tennessee requests authorization to construct, install, own, operate and maintain certain facilities (Patriot Project) to provide up to 510,000 dekatherms per day (Dth/d) of firm natural gas transportation service, all as more fully set forth in the application, which is on file with the Commission, and open for public inspection. This filing may be viewed on the web at <http://www.ferc.gov> using the "RIMS" link, select "Docket #" and follow the instructions (call 202-208-2222 for assistance). Following its open season, East Tennessee contracted for firm transportation service with seven shippers (Patriot Shippers): NUI Energy Brokers, Inc.; Carolina Power & Light Company; Public Service Company of North Carolina, Inc.; United Cities Gas Company; Henry County Power, LLC; Duke Energy Wythe, LLC; and, Duke Energy Murray, LLC.

The facilities will consist of: (i) a *Mainline Expansion*, which involves improvements along East Tennessee's

existing pipeline in Tennessee and Virginia, including (a) approximately 84.98 miles of pipeline loops (in Franklin, Grundy, Hamilton, Knox, Sequatchie and Sullivan Counties, Tennessee and Smyth, Washington, and Wythe Counties, Virginia), (b) approximately 24.67 miles of new 24-inch diameter pipeline to replace existing smaller diameter pipeline (in Smyth, Washington and Wythe Counties, Virginia), (c) hydrostatic testing of approximately 77.34 miles of existing pipeline to increase the maximum allowable operating pressure of the pipeline, (d) five new compressor stations (in Fentress, Greene, Hamilton, Jackson, and Jefferson Counties, Tennessee) and changes at six existing compressor stations (in Washington and Wythe Counties, Virginia and Morgan, Sevier and Sullivan Counties, Tennessee), and (e) associated mainline valves, piping, and appurtenant pipeline facilities; and (ii) an *Extension*, which includes (a) approximately 93.56 miles of new 24-inch diameter pipeline extending (through Wythe, Carroll, Patrick, Floyd, and Henry Counties, Virginia) from the East Tennessee mainline in Virginia to a new terminus at an interconnection to Transcontinental Pipeline Corporation's mainline in Rockingham County, North Carolina, (b) approximately 7.04 miles of new 16-inch diameter pipeline extending from the new pipeline extension (through Pittsylvania County, Virginia) to a power plant under development by Henry County Power, LLC, in Henry County, Virginia, (c) three new meter stations, and (d) associated valves and appurtenant pipeline facilities.

East Tennessee requests that the Commission issue a preliminary determination by November 15, 2001 and a final certificate by March 27, 2002 to enable East Tennessee to meet the first of its Patriot Shippers' in-service dates of May 1, 2003. The cost of the facilities is estimated to be approximately \$289 million. Firm transportation service of up to 510,000 Dth/d will be rendered to the Patriot Shippers pursuant to East Tennessee's Rate Schedule FT-A. The Patriot Shippers will pay incremental rates to compensate East Tennessee for the costs of the Patriot Project facilities.

Questions regarding this filing should be directed to Steven E. Tillman, Director of Regulatory Affairs, East Tennessee Natural Gas Company, P.O. Box 1642, Houston, Texas 77251-1642, call 713-627-5113, fax 713-627-5947.

There are two ways to become involved in the Commission's review of this project. First, any person wishing to
