NUCLEAR REGULATORY COMMISSION

Notice of Availability; NUREG-1700, "Standard Review Plan for Evaluating for Nuclear Power Reactor License Termination Plans"

The U.S. Nuclear Regulatory Commission is noticing issuance of NUREG-1700, "Standard Review Plan for Evaluating Nuclear Power Reactor License Termination Plans." The standard review plan (SRP) guides staff reviewers on performing safety reviews of license termination plans (LTPs). Although the SRP is intended to be used by the NRC staff in conducting reviews, it can be used by interested parties responsible for conducting their own licensing review or developing an LTP. The principal purpose of the SRP is to ensure the quality and uniformity of staff reviews and to present a well-defined base from which to evaluate the requirements. It is also the purpose of the SRP to make the information about regulatory matters widely available to improve the understanding of the staff's review process by interested members of the public and the nuclear industry.

For further details with respect to this action, the documents are available for inspection at the NRC's Public Electronic Room at <http://www.nrc.gov>.

Dated at Rockville, Maryland, this 11th day of May 2000.

For the Nuclear Regulatory Commission.

Robert A. Nelson,

Acting Chief, Decommissioning Branch, Division of Waste Management, Office of Nuclear Material Safety and Safeguards.

Alliant Energy Corporation, et al. (70-9323)

Alliant Energy Corporation ("Alliant"), a registered holding company, its wholly owned intermediate nonutility holding company, Alliant Energy Resources, Inc. ("AER"), both located at 222 West Washington Avenue, Madison, Wisconsin 53703, and AER's nonutility subsidiary, Heartland Properties, Inc. ("HPI" and together with Alliant and AER, "Applicants"), 122 West Washington Avenue, 6th Floor, Madison, Wisconsin 53703, have filed an post-effective amendment, under section 9(c)(3) of the Act and rule 54 under the Act, to an application previously filed under the Act.

Under the terms of an order dated April 14, 1998 (HCAR No. 26856) ("1998 Order"), Alliant is currently authorized to hold passive investments,

through HPI, in low-income housing projects ("LIHTC Properties").¹ Under the terms of the 1998 Order, HPI indirectly owns a 1% general partnership interest in an investment fund, more particularly described below, that indirectly holds limited partnership interests in seventeen LIHTC Properties ("Fund Properties"), nine of which are located outside the Alliant service territory. In addition to the investments permitted in the 1998 Order, Applicants are authorized by order dated August 13, 1999 (HCAR No. 27060) to invest up to \$50 million ("Investment Limitation") from time to time over a five-year period to acquire additional LIHTC Properties in the Alliant Energy service territory.

The investment fund, Heartland Properties Equity Investment Fund I ("Fund"), is a limited partnership that holds limited partnership interests ranging between 88.9% and 99% in several other limited partnerships that own the Fund Properties. HPI's 1% general partnership interest in the Fund is held by its wholly owned subsidiary, Heartland Fund I, Inc. Minnesota Life Insurance Company ("MLIC") is the sole limited partner in the Fund with a 99% limited partnership interest.

HPI has been approached by MLIC about the possibility of selling its limited partnership interest in the Fund to HPI. In order to consummate the transaction, Applicants now propose to modify the existing limitation on investments in LIHTC Properties located outside of the year's service territory, for the specific purpose of acquiring MLIC's limited partnership interest in the Fund. The expected purchase price of approximately \$10.7 million, when combined with HPI's current investment level in LIHTC Properties, will be within the Investment Limitation.

For the Commission, by the Division of Investment Management, pursuant to delegated authority.

Margaret H. McFarland,

Deputy Secretary.

BILLING CODE 8010-01-M

¹ The Commission determined in the 1998 Order that HPI's interests in 84 LIHTC Properties were retainable under section 9(c)(3) of the Act, because the interests were acquired to generate tax credits under section 42 of the Internal Revenue Code and they were being converted into passive investments.
