

will be required to travel to that respective facility. The CSO and their staff will be at the location for a total of four hours for the state based interview. The state employees will remain at the location during the local level interview process. This interview will include twelve local law enforcement personnel during an additional four hours. It is expected that four of the local personnel will be within the respective city incurring no travel burden. It is anticipated that eight of the local law enforcement personnel from two different districts will require up to four hours travel time (two hours each way) to the interview location, thus four hours burden for eight people.

It is anticipated that ten additional interviews will be conducted that do not fall within the CSO location. These interviewees will consist of the manager, two computer engineers and ten additional personnel.

The estimate of the respondent's burden for this data collection is as follows:

Number of N3G respondents: 880.

Frequency of responses: One session (4 hours each) for Local Law Enforcement Personnel; Two sessions (4 hours each) for CSO and two Computer Engineers except when interviewing at a CSA.

Total annual responses: Once for Local Law Enforcement personnel and twice for CSOs and Computer Engineers.

Hours per response: 4 hours.

Hours for Travel for 8 Local LE personnel per location: 4 hours.

Annual Hour Burden: 5,720 hours.

(6) *An estimate of the total public burden (in hours) associated with this collection:* There are approximately 5,720 hours, annual burden, associated with this information collection.
