SUPPLEMENTARY INFORMATION:

Background

This document contains amendments to 26 CFR part 31 under section 3402(t) of the Internal Revenue Code (Code). This document also contains amendments to 26 CFR part 31 under sections 3406, 6011, 6051, 6071, and 6302 of the Code.

Section 3402(t) of the Code was added by section 511 of the Tax Increase Prevention and Reconciliation Act of

2005, Public Law 109–222 (TIPRA), 120 Stat. 345, which was enacted into law on May 17, 2006. Section 3402(t)(1) provides that the Government of the United States, every State, every political subdivision thereof, and every instrumentality of the foregoing (including multi-State agencies) making any payment to any person providing any property or services (including any payment made in connection with a government voucher or certificate program which functions as a payment for property or services) shall deduct and withhold from such payment a tax in an amount equal to 3 percent of such payment. Section 3402(t)(2) provides exceptions to withholding under section 3402(t).

Proposed regulations under sections 3402(t), 3406, 6011, 6051, 6071, and 6302 of the Code were published in the **Federal Register** on December 5, 2008 (REG–158747–06, 73 FR 74082, 2009–4 IRB 362).

After the issuance of the proposed regulations, section 1511 of the American Recovery and Reinvestment Act of 2009, Public Law 111–5 (ARRA), 123 Stat. 115, 355, extended the effective date of section 3402(t) withholding to payments made after December 31, 2011.

Notice 2010–91, 2010–52 IRB 915, provided interim guidance on the application of section 3402(t) to payments by debit cards, credit cards, stored value cards, and other payment cards.

Written comments were received in response to the proposed regulations, and a public hearing was held on April 16, 2009. All comments are available at <http://www.regulations.gov> or upon request. After consideration of all the comments, the proposed regulations are adopted as amended by this Treasury decision.

Summary of Comments and Explanation of Provisions

The Treasury Department and the IRS received numerous comments in response to the proposed regulations, all of which were considered in formulating the final regulations. Commenters generally expressed concerns about the administrative burdens of compliance and the revenue effect on persons subject to section 3402(t) withholding. The final regulations are intended to balance the legislative intent to construct a withholding and reporting regime for payments by government entities for property and services (other than those specifically excepted under section 3402(t)(2)) with the goal of alleviating administrative burdens on both
