- a. VA Forms 21–4706–4706b and 4706c are used by estate to determine proper usage of benefits paid to fiduciaries. The 21–4706 and 21–4706b are both necessary to conform to requirement of various state courts.
- b. VA Form 21–4718 is provided to VA fiduciaries to submit accountings to either State courts or the VA. It is not a reporting form per se, but a vehicle to assist the fiduciary in accurately maintaining records of monies received and spent.

c. VA Form 21–4718a—Fiduciaries are required to obtain certifications that the balances remaining on deposit in financial institutions as shown on accountings are correct. The form is completed by a certifying official at a financial institution who must affix the institution’s official seal or stamp. Analysts review the information provided on the form when they auditing accounting to determine the veracity of the information supplied by fiduciaries accounting. The analysts compare the financial institution’s information on the form against the fiduciary’s accounting. The purpose is to prevent fiduciaries from supplying false certification, embezzling funds, and possibly prevent and/or identify fraud, waste and abuse of government funds paid to fiduciaries on behalf of VA beneficiaries.
