[Project No. 2694]

Duke Power, a Division of Duke Energy Corporation, Nantahala Area; Notice of Authorization for Continued Project Operation

October 29, 2001.

On September 27, 1999, Duke Power, a division of Duke Energy Corporation, Nantahala Area (on August 10, 2001, the Commission approved the transfer of the license from Nantahala Power and Light Company to Duke Power, a division of Duke Energy Corporation, Nantahala Area and redesignated the applicant of the relicense application as Duke Power, a division of Duke Energy Corporation, Nantahala Area), licensee for the Queens Creek Project No. 2694, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2694 is located on Queens Creek in Macon County, North Carolina.

The license for Project No. 2694 was issued for a period ending October 1, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent

license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2694 is issued to Duke Power, a division of Duke Energy Corporation, Nantahala Area for a period effective October 2, 2001, through October 1, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before October 2, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Duke Power, a division of Duke Energy Corporation, Nantahala Area is authorized to continue operation of the Queens Creek Project No. 2694 until such time as the Commission acts on its application for subsequent license.

[Project No. 2935]

Enterprise Mill, LLC; Notice of Authorization for Continued Project Operation

October 29, 2001.

On September 24, 2001, Enterprise Mill, LLC, licensee for the Enterprise Mill Project No. 2935, filed an application for a new or subsequent license pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. Project No. 2935 is located on the Augusta Canal in Richmond County, Georgia.

The license for Project No. 2935 was issued for a period ending September

30, 2001. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year to year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No. 2935 is issued to Enterprise Mill, LLC for a period effective October 1, 2001, through September 30, 2002, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before October 1, 2002, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that Enterprise Mill, LLC is authorized to continue operation of the Enterprise Mill Project No. 2935 until such time as the Commission acts on its application for subsequent license.
