

comply with the requirements under the Exchange Act and applicable rules.

Finally, LTSE proposes numerous changes to conform, as applicable, its trading rules to the trading rules on MEMX Exchange to effect the transition to the new trading platform. The Commission notes that the proposed changes to LTSE's rules to effect the transition of LTSE's trading platform are based on rules already approved by, or filed for immediate effectiveness with, the Commission by MEMX Exchange. Therefore, since this aspect of the proposal raises no new or novel legal or regulatory issues, the Commission believes it is reasonably designed to protect investors and the public interest and is consistent with the Exchange Act.

Accordingly, for the foregoing reasons, the Commission finds that this proposed rule change is consistent with the Exchange Act.

#### IV. Conclusion

*It is therefore ordered*, pursuant to Section 19(b)(2) of the Exchange Act,<sup>43</sup> that the proposed rule change (SR-LTSE-2024-03) be, and hereby is, approved.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.<sup>44</sup>

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-100785; File No. SR-SAPPHIRE-2024-17]

### Self-Regulatory Organizations; MIAx Sapphire, LLC, Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Rules Relating to the Continuing Education for Registered Persons as Provided Under Exchange Rule 1903

August 20, 2024.

Pursuant to the provisions of Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on August 9, 2024, MIAx Sapphire, LLC ("MIAx Sapphire" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange.

The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Interpretation and Policy .01 to Exchange Rule 1903, Continuing Education.

The text of the proposed rule change is available on the Exchange's website at <https://www.miaxglobal.com/markets/us-options/miax-sapphire/rule-filings>, at the Exchange's principal office, and at the Commission's Public Reference Room.

#### II. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The Exchange proposes to amend Interpretation and Policy .01 to Exchange Rule 1903, Continuing Education, to clarify participation requirements and deadline dates of the continuing education program.

##### Background

The Form 1 Application of MIAx Sapphire was approved by the Securities Exchange Commission to register as a national securities exchange on July 15, 2024.<sup>3</sup> MIAx Sapphire intends to begin trading operations on August 12, 2024. In anticipation of the launch of the Exchange MIAx Sapphire is in the process of updating rules so that they are current.

Policy .01 of Exchange Rule 1903 describes the conditions and timeframes for certain individuals registered with

the Exchange to participate in the continuing education program under paragraph (c) of Rule 1903. FINRA amended their Continuing Education ("CE") Program requirements in FINRA Rule 1240 in 2021 to establish a Maintaining Qualifications Program (MQP).<sup>4</sup> Under FINRA Rule 1240.01, FINRA designated a look-back provision for the two years immediately prior to March 15, 2022 for meeting the requirements of the MQP.

In 2023, FINRA again amended FINRA Rule 1240.01, to provide eligible individuals a second opportunity to elect to participate in the MQP.<sup>5</sup> This change required eligible individuals who elected to participate in the MQP during the second look-back period to complete any prescribed continuing education content by March 31, 2024. For technical reasons related to the mechanics of registering in the MQP via FINRA's Financial Professional Gateway ("FinPro") account some eligible individuals may have been precluded from properly registering for the MQP, therefore, FINRA again amended its rule to extend the requirements completion period to July 1, 2024.<sup>6</sup>

##### Proposal

The Exchange proposes to amend its Rule to provide that individuals enrolled in the continuing education program under Interpretation and Policy .01 of Rule 1903 who have completed their prescribed 2022 and 2023 continuing education content by July 1, 2024 shall be eligible to continue their

Other exchanges, including the Exchange's affiliate, MIAx, subsequently filed copycat rule filings to align their continuing education rules with those of FINRA. The Exchange notes that the second look-back period does not appear in Sapphire Rule 1903 as it concluded prior to the Exchange's Form 1 Application being approved.

participation in the continuing education program. The time period extensions provided by FINRA beginning in 2021 for maintaining registrations have all concluded, therefore the Exchange believes that this change will provide clarity in regards to the eligibility requirements for participation in the continuing education program.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>7</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>8</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>9</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. The Exchange's rule proposal is intended to harmonize the Exchange's supervision rules, specifically with respect to the continuing education requirements with those of FINRA, on which they are based. Consequently, the proposed change will conform the Exchange's rules to recent changes made to corresponding FINRA rules, thus promoting application of consistent regulatory standards with respect to rules that FINRA enforces pursuant to its regulatory services agreement with the Exchange.

The Exchange believes that the proposed rule change will bring consistency and uniformity with FINRA's recently amended CE Program, which will, in turn, assist members and their associated persons in complying with these rules and improve regulatory efficiency. The proposed rule change makes ministerial changes to the Exchange's CE rules to align them with the CE rules of FINRA, in order to

prevent unnecessary regulatory burdens and to promote efficient administration of the rules.

## B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The Exchange believes that the proposed rule change, which harmonizes its rules with the recent rule change adopted by FINRA, will reduce the regulatory burden placed on market participants engaged in trading activities across different markets. The Exchange believes that the harmonization of the CE program requirements across the various markets will reduce burdens on competition by removing impediments to participation in the national market system and promoting competition among participants across the multiple national securities exchanges.

## C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6)<sup>11</sup> thereunder, the Exchange has designated this proposal as one that effects a change that: (i) does not significantly affect the protection of investors or the public interest; (ii) does not impose any significant burden on competition; and (iii) by its terms, does not become operative for 30 days after the date of the filing, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest.<sup>12</sup>

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of

investors, or otherwise in furtherance of the purposes of the Act.

[Release No. 34–100779; File No. SR–SAPPHIRE–2024–12]

### Self-Regulatory Organizations; MIAX Sapphire, LLC; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fee Schedule for a Sales Value Fee and Web CRD Fees

August 20, 2024.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (“Act”),<sup>2</sup> and Rule 19b–4 thereunder,<sup>3</sup> notice is hereby given that on August 6, 2024, MIAX Sapphire, LLC (“MIAX Sapphire” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange is filing a proposal to amend the MIAX Sapphire Options Fee Schedule (the “Fee Schedule”) to establish Section 2, Regulatory Fees. Specifically, Section 2 of the Fee Schedule will contain: a Sales Value Fee for MIAX Sapphire Members in Section 2) a);<sup>4</sup> Section 2) b) which the Exchange is proposing to reserve to be amended by a later proposal; and Web Central Registration Depository (“Web CRD”) Fees in Section 2) c). MIAX Sapphire will commence operations as a national securities exchange registered under Section 6 of the Act<sup>5</sup> on August 12, 2024.<sup>6</sup>

While changes to the Fee Schedule pursuant to this proposal are effective upon filing, the Exchange has designated these changes to be operative on August 12, 2024.

The text of the proposed rule change is available on the Exchange’s website at <https://www.miaxglobal.com/markets/us-options/miax-sapphire/rule-filings>, at the Exchange’s principal office, and at the Commission’s Public Reference Room.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

##### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

###### 1. Purpose

The Exchange proposes to amend the Fee Schedule to establish Section 2, Regulatory Fees. Specifically, Section 2 of the Fee Schedule will contain: Sales Value Fee for MIAX Sapphire Members in Section 2) a); Section 2) b) which the Exchange is proposing to reserve to be amended by a later proposal; and Web CRD Fees in Section 2) c).

MIAX Sapphire will commence operations as a national securities exchange registered under Section 6 of the Act<sup>7</sup> on August 12, 2024.<sup>8</sup>

###### Sales Value Fee

The Exchange proposes to amend the Fee Schedule to adopt Section 2) a) Sales Value Fee.<sup>9</sup> The Sales Value Fee is proposed to be assessed by the Exchange to each Member for sales on the Exchange with respect to which the Exchange is obligated to pay a fee to the Commission pursuant to Section 31 of the Exchange Act. The Sales Value Fee is equal to the Section 31 fee rate

multiplied by the Member’s aggregate dollar amount of covered sales resulting from options transactions occurring on the Exchange during any computational period. The Section 31 fee rate is set annually by the United States Securities and Exchange Commission (“Commission”). To the extent that there may be any excess monies collected under this rule, the Exchange may retain those monies to help fund general operating expenses. The sales transactions to which the fee applies are sales of options (other than options on a security index) and the sales of securities resulting from the exercise of physical-delivery options. The fee is collected indirectly from Members through their clearing firms by the Options Clearing Corporation (“OCC”) on behalf of MIAX Sapphire with respect to option sales and options exercises. The Sales Value Fee proposed by the Exchange is identical to the fee assessed by other exchanges, including the Exchange’s affiliates, Miami International Securities Exchange, LLC (“MIAX Options”),<sup>10</sup> MIAX PEARL, LLC (“MIAX Pearl Options”),<sup>11</sup> and MIAX Emerald, LLC (“MIAX Emerald”).<sup>12</sup>

###### Web CRD Fees

The Exchange also proposes to establish Section 2) c), Web CRD Fees, in the Exchange’s Fee Schedule. The Financial Industry Regulatory Authority (“FINRA”), through the Web CRD registration system for the registration of associated persons of Electronic Exchange Member<sup>13</sup> and Market Maker<sup>14</sup> organizations that are not also FINRA members, collects from those MIAX Sapphire Members, general registration fees and fingerprint processing fees. The Exchange proposes to list these fees in its Fee Schedule for convenience. The Exchange does not

<sup>14</sup> The term “Market Maker” or “MM” means a Member registered with the Exchange for the purpose of making markets in options contracts traded on the Exchange and that is vested with the rights and responsibilities specified in Chapter VI of the MIAX Sapphire Rulebook.
