DATES: Applicable August 28, 2023.

FOR FURTHER INFORMATION CONTACT: Eric Hawkins, AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-1988.

SUPPLEMENTARY INFORMATION:

Background

On April 6, 2023, Commerce published the preliminary results of this administrative review covering one producer/exporter, Navigator.¹ We

invited interested parties to comment on the *Preliminary Results*. On August 2, 2023, Commerce extended the time period for issuing the final results of this review until August 22, 2023.² For a complete description of the events that occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.³

Commerce conducted this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended (the Act).

Scope of the Order⁴

The product covered by this Order is certain uncoated paper from Portugal. For a full description of the scope of the Order, see the Issues and Decision Memorandum.

Analysis of Comments Received

All issues raised in the case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of the issues that parties raised and to which we responded in the Issues and Decision Memorandum is attached to this notice as an appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Changes Since the Preliminary Results

Based on a review of the record and comments received from interested parties, we have recalculated the weighted-average dumping margin for Navigator. Specifically, we have used weight-averaged quarterly costs in determining Navigator's dumping margin. We also made changes in calculating certain rebate caps for Navigator's home market sales. For a more detailed discussion of these

accompanying Preliminary Decision Memorandum (PDM).

changes, see the Issues and Decision Memorandum.

Final Results of Review

Commerce determines that the following weighted-average dumping margin exists for the period March 1, 2021, through February 28, 2022:

Exporter/producer	Weighted-average dumping margin (percent)
The Navigator Company, S.A	7.11

Disclosure

Commerce intends to disclose to interested parties the calculations performed in connection with the final results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of final determination in the **Federal Register**, in accordance with 19 CFR 351.224(b).

Assessment Rate

Pursuant to section 751(a)(2)(C) of the Act, and 19 CFR 351.212(b)(1), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

Because Navigator's weighted-average dumping margin is not zero or *de minimis* (i.e., less than 0.5 percent), Commerce has calculated importer-specific antidumping duty assessment rates. We calculated importer-specific *ad valorem* assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales. Where an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For entries of subject merchandise during the POR produced by Navigator for which it did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries at the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.⁵

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S.
