

(4) The state will not attempt to recover any capital costs of public improvements assisted with CDBG disaster recovery grant funds, by assessing any amount against properties owned and occupied by persons of low- and moderate-income, including any fee charged or assessment made as a condition of obtaining access to such public improvements, unless: (A) disaster recovery grant funds are used to pay the proportion of such fee or assessment that relates to the capital costs of such public improvements that are financed from revenue sources other than under this title; or (B) for purposes of assessing any amount against properties owned and occupied by persons of moderate income, the grantee certifies to the Secretary that it lacks sufficient CDBG funds (in any form) to comply with the requirements of clause (A).

j. The state certifies that the grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 U.S.C. 2000d) and the Fair Housing Act (42 U.S.C. 3601–3619) and implementing regulations.

Grant of Waivers for Grants Under the Supplemental Appropriations Act, 2008

The states receiving initial allocations under HUD's **Federal Register** notice published on December 19, 2003, (73 FR 77818) have, with one exception, requested all the waivers and alternative requirements provided by HUD's September 11, 2008, **Federal Register** notice (73 FR 52870), and HUD is granting them. The exception is the State of Minnesota, which did not request the waivers that would allow it to carry out activities directly or to facilitate flood buyouts. Those waivers and alternative requirements, therefore, do not apply to Minnesota's grant; all the others do.

Duration of Funding

Availability of funds provisions in 31 U.S.C. 1551–1557, added by section 1405 of the National Defense Authorization Act for Fiscal Year 1991 (Pub. L. 101–510), limit the availability of certain appropriations for expenditure. This limitation may not be waived. However, the Second 2008 Act for these grants directs that these funds be available until expended unless, in accordance with 31 U.S.C. 1555, HUD determines that the purposes for which the appropriation has been made have been carried out and no disbursement has been made against the appropriation for 2 consecutive fiscal years. In such a case, HUD shall close out the grant prior to expenditure of all funds.

Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance numbers for the disaster recovery grants under this Notice are as follows: 14.219; 14.228.

Background

On March 13, 2007, the Department of the Interior (Interior) published a notice of establishment of the Committee and call for nominations in the **Federal Register** (72 FR 11373). The Committee's purpose is to provide advice and recommendations to the Secretary of the Interior (Secretary) on developing effective measures to avoid or minimize impacts to wildlife and their habitats related to land-based wind energy facilities. Committee is expected to exist for 2 years. Its continuation is subject to biennial renewal. The Committee meets approximately four times per year, and all Committee members serve without compensation.

In accordance with the Federal Advisory Committee Act (5 U.S.C. App.), a copy of the Committee's charter has been filed with the Committee Management Secretariat, General Services Administration; Committee on Environment and Public Works, U.S. Senate; Committee on Natural Resources, U.S. House of Representatives; and the Library of Congress. The Secretary appointed 22 individuals to the Committee on October 24, 2007, representing the varied interests associated with wind energy development and its potential impacts to wildlife species and their habitats. We held five Committee meetings in 2008, and held a sixth meeting January 27-29, 2009. All Committee meetings are open to the public. The public has an opportunity to comment at all Committee meetings.
