

H. Executive Order 13211, Actions That Significantly Affect Energy Supply, Distribution, or Use

This proposed action is not subject to Executive Order 13211, because it is not a significant regulatory action under Executive Order 12866.

I. National Technology Transfer and Advancement Act

This rulemaking does not involve technical standards.

J. Executive Order 12898: Federal Actions To Address Environmental Justice in Minority Populations and Low-Income Populations

EPA has determined that this action will not have potential disproportionately high and adverse human health or environmental effects on minority or low-income populations because it does not affect the level of protection provided to human health or the environment. This proposed action would only reclassify the Salt Lake City, Provo, and the Logan portion of the Logan, UT/ID nonattainment areas as Serious nonattainment for the 2006 PM_{2.5} NAAQS, triggering additional Serious area planning requirements under the CAA.

Additionally, if you go to the online docket and sign up for email alerts, you will be notified when comments are posted or a final rule is published.

We accept anonymous comments. All comments received will be posted without change to <http://www.regulations.gov> and will include any personal information you have provided. For more about privacy and the docket, you may review a Privacy Act notice regarding the Federal Docket

Management System in the March 24, 2005, issue of the **Federal Register** (70 FR 15086).

B. Regulatory History and Information

We published the NPRM for this rulemaking on September 10, 2015 (80 FR 54484). It proposed changes to the methodology by which the Coast Guard reviews and adjusts rates for Great Lakes pilotage, and also proposed rates for the 2016 shipping season. The NPRM announced a 60 day public comment period ending November 9, 2015. We have received a request from several members of the public for an extension of the comment period, which we have decided to grant in light of the importance of our proposed changes to the ratemaking methodology. With this extension, the total length of the public comment period will now be 90 days.

This notice is issued under authority of 5 U.S.C. 552(a).

November 5, 2015.

Gary C. Rasicot,

Director, Marine Transportation Systems, U.S. Coast Guard.

Fisheries of the Northeastern United States; Summer Flounder, Scup, and Black Sea Bass Fisheries; 2016–2018 Summer Flounder, Scup, and Black Sea Bass Specifications

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Proposed specifications; request for comments.

SUMMARY: NMFS proposes specifications for the 2016–2018 summer flounder and scup fisheries and for the 2016–2017 black sea bass fishery. The implementing regulations for the Summer Flounder, Scup, and Black Sea Bass Fishery Management Plan require us to publish specifications for the upcoming fishing year for each of these species and to provide an opportunity for public comment. This action is intended to propose for implementation specifications necessary to constrain harvest for these three species within
