**Self Regulatory Organizations; Order Granting Approval of Proposed Rule Change and Amendment No. 1 thereto by the Chicago Board Options Exchange, Inc. Relating to Marketing and Administrative Fees**

September 7, 2001.

On June 18, 2001, pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 (Act)<sup>1</sup> and Rule 19b–4 thereunder,<sup>2</sup> the Chicago Board Options Exchange, Inc. ("CBOE") filed with the Securities and Exchange Commission ("Commission") a proposed rule change to impose a one-time supplemental administrative charge against the interest payments that the CBOE's Designated Primary Market Makers received in their marketing fee accounts for fiscal year 2000. The CBOE submitted Amendment No. 1 to the proposed rule change on July 20, 2001.<sup>3</sup>

The proposed rule change was published for comment in the **Federal Register** on August 7, 2001.<sup>4</sup> The Commission received no comments on the proposal.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, particularly section 6 of the Act<sup>5</sup> and the rules and regulations thereunder.<sup>6</sup> Moreover, the Commission finds that the proposed rule change is consistent with section 6(b)(4) of the Act<sup>7</sup> because it has been designed to provide for the equitable allocation of reasonable dues, fees, and other charges among CBOE members.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,<sup>8</sup> that the proposed rule change (File No. SR–CBOE–2001–35) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.<sup>9</sup>

below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

**I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange is proposing amendments to its Certificate of Incorporation, Constitution and Rules, which would modify the Exchange's executive governance structure. Among other changes, the proposed amendments would permit the creation of a combined Chairman and Chief Executive Officer ("CEO") position and permit the CEO to name a President, who could also serve on the CHX Board of Governors.

The text of the proposed rule change is available from the Office of the Secretary of the CHX or at the Commission.

**II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received regarding the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has prepared summaries, set forth in Sections A, B and C below, of the most significant aspects of such statements.

**A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

**1. Purpose**

The proposed amendments, which have the support of the Exchange's Governance Committee and current Chairman, are intended, among other things, to permit the creation of a combined Chairman and CEO position. By giving the Board the flexibility to appoint a person to fulfill this combined role, these changes will give the Exchange another tool to meet the challenges facing self-regulatory organizations in the always-changing securities industry. Although the proposed changes can be seen in many of the Exchange's rules and constitutional provisions, they primarily would have the following impact on the Exchange's governance.

First the CEO would replace the President as the principal executive of
