NATIONAL CREDIT UNION ADMINISTRATION

Agency Information Collection Activities: Submission to OMB for Reinstatement, With Change, of a Previously Approved Collection; Comment Request

AGENCY: National Credit Union
Administration (NCUA).

ACTION: Request for comment.

SUMMARY: The NCUA intends to submit the following information collection to the Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). This information collection is published to obtain comments from the public. Section 721.1(h) of the NCUA Rules and Regulations regulates purchases by federally insured credit unions of indirect vehicle loans serviced by third-parties. Section 721.1(h) limits the aggregate amount of these loans serviced by any single third-party to a percentage of the credit union's net worth. This rule ensures that federally insured credit unions do not undertake undue risk with these purchases. This data collection enables NCUA to evaluate waiver requests of these limits.

DATES: Comments must be received on or before October 7, 2013.

ADDRESSES: Interested parties are invited to submit written comments to the NCUA Contact and the OMB Reviewer listed below:

NCUA Contact: Tracy Crews, National Credit Union Administration, 1775 Duke Street, Alexandria, Virginia 22314-3428, Fax No. 703-837-2861, Email: OCIOpra@ncua.gov.

OMB Contact: Office of Management and Budget, ATTN: Desk Officer for the National Credit Union Administration, Office of Information and Regulatory Affairs, Washington, DC 20503.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

NCUA is reinstating, with change, the collection for 3133-0171. NCUA Rules and Regulations § 701.21(h) establishes limits at federally-insured credit unions on the purchase of interests in indirect vehicle loans serviced by any particular third-party servicer. These indirect, outsourced programs create numerous risks to the credit union, and the rule ensures that these risks will not lead to significant negative impacts on the credit union's net worth and losses to the National Credit Union Share Insurance Fund. The rule allows a credit union to apply for a waiver of the limits, but to obtain a waiver the credit union must demonstrate to the NCUA that it understands the risks and has taken appropriate measures to monitor and protect itself against the risks. Because the waiver requests consist primarily of qualitative data, the NCUA call report system cannot be used for this collection.

The NCUA requests that you send your comments on this collection to the location listed in the addresses section. Your comments should address: (a) The necessity of the information collection for the proper performance of NCUA, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility, and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents such as through the use of automated collection techniques or other forms of information technology. It is NCUA's policy to make all comments available to the public for review.

SUPPLEMENTARY INFORMATION:

I. Abstract and Request for Comments

The FCU Act requires the NCUA Board to prepare bylaws for FCUs. 12 U.S.C. Part 1758. After consideration of public comment, the NCUA Board adopted the FCU Bylaws and incorporated them into NCUA's regulations at 12 CFR 701.2, and Appendix A to part 701, in 2007. Unless a federal credit union adopted its bylaws before November 30, 2007, it must adopt the 2007 bylaws. FCUs use the information they collect and maintain pursuant to their bylaws in their operations and to provide services to members. NCUA uses the information both to regulate the safety and soundness of FCUs and protect the National Credit Union Share Insurance Fund.

NCUA is issuing this notice and request for comment on the reinstatement and amendment of the previously approved information collection PRA number related to the FCU Bylaws, 3133-0052. Staff has incorporated into this collection other previously expired or combined information collections also related to the bylaws, including 3133-0057 and 3133-0081. The amount of burden hours is decreasing as a result of technology and the continuing trend of annual decreases in the number of FCUs.

NCUA staff reviewed each of the articles of the FCU Bylaws to identify all current information collection requirements. As a preliminary matter, those persons choosing to organize a new FCU must comply with certain information collection requirements upon starting the FCU and first adopting these bylaws. Over the past three years, organizers have established an average of approximately two new FCUs each year. We estimate each new FCU must spend approximately 20 hours to initially comply with the bylaws' information collection requirements (ICR), for a total annual collection of 40 hours.

For current FCUs, it has been a usual and customary business practice, since their initial charter dates, to collect and
