Foreign-Trade Zones Board

[Docket 51-2005]

Foreign-Trade Zone 202- Los Angeles, California, Request for Processing Authority, Citizen Watch Company of America, Inc. (Watches)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Port of Los Angeles, California, grantee of FTZ 202, requesting authority on behalf of Citizen Watch Company of America, Inc. (Citizen) for the processing and packaging of watches under FTZ procedures within Site 7 of FTZ 202 in Torrance, California. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 Cfr part 400). It was formally filed on October 19, 2005.

Citizen operates a distribution facility (182 employees) for the warehousing, packaging and distribution of watches. The company's application indicates that the duty rates for finished watches range from duty-free to 6 percent (ad valorem equivalent). Foreign-sourced inputs include imported gift boxes, watch bands, watch cases and other materials with duty rates ranging from duty-free to 20 percent.

This application requests authority to allow Citizen to conduct activities under FTZ procedures, which would exempt the company from Customs duty payments on the foreign components used in export activity. On its domestic sales, the company would be able to choose the duty rate that applies to finished products for the foreign components noted above. Citizen's application indicates that the savings from zone procedures could help improve the company's international competitiveness.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the following addresses:

1. *Submission Via Express/Package Delivery Services:* Foreign-Trade Zones Board, U.S. Department of Commerce, Franklin Court Building - Suite 4100W, 1099 14th St., NW, Washington, DC 20005; or

Fresh Garlic From the People's Republic of China; Initiation of New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: October 26, 2005.

SUMMARY: The Department of Commerce (the "Department") has determined that a request for a new shipper review of the antidumping duty order on fresh garlic from the People's Republic of China ("PRC"), received in May 2005, meets the statutory and regulatory requirements for initiation. The period of review ("POR") of this new shipper review is November 1, 2004, through April 30, 2005.

FOR FURTHER INFORMATION CONTACT:

Ryan A. Douglas or Wendy Frankel, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1277 and (202) 482-5849, respectively.

SUPPLEMENTARY INFORMATION:

Background

The notice announcing the antidumping duty order on fresh garlic from the PRC was published on November 16, 1994. *See Antidumping Duty Order: Fresh Garlic From the People's Republic of China*, 59 FR 59209 (November 16, 1994). On May 17, 2005, we received a timely request for a new shipper review from Anqiu Friend Food Co., Ltd. ("Anqiu Friend") in accordance with 19 CFR 351.214(d)(2). Anqiu Friend has certified that it grew and exported the garlic on which it based its request for a new shipper review. The Department initially denied Anqiu Friend's request for a new shipper review in this case. However, as a result of litigation and agreement with the requester, the Department has reconsidered its decision and is now initiating the new shipper review.

Initiation of New Shipper Reviews

Pursuant to section 751(a)(2)(B)(i)(I) of the Tariff Act of 1930, as amended ("the Act") and 19 CFR 351.214(b)(2), Anqiu Friend certified that it did not export fresh garlic to the United States during the period of investigation ("POI"). Pursuant to section 751(a)(2)(B)(i)(II) of the Act and 19 CFR 351.214(b)(2)(iii)(A), Anqiu Friend certified that, since the

initiation of the investigation, it has never been affiliated with any exporter or grower who exported fresh garlic to the United States during the POI, including those not individually examined during the investigation. As required by 19 CFR 351.214(b)(2)(iii)(B), Anqiu Friend also certified that its export activities were not controlled by the central government of the PRC.

In addition to the certifications described above, the exporter submitted documentation establishing the following: (1) the date on which it first shipped fresh garlic for export to the United States and the date on which the fresh garlic was first entered, or withdrawn from warehouse, for consumption; (2) the volume of its first shipment and the volume of subsequent shipments; and (3) the date of its first sale to an unaffiliated customer in the United States.

Pursuant to section 751(a)(2)(B) of the Act and 19 CFR 351.214(d)(1), we are initiating this new shipper review for shipments of fresh garlic from the PRC grown and exported by Anqiu Friend. *See Memorandum to the File through Wendy Frankel, "New Shipper Initiation Checklist,"* dated October 12, 2005.

The POR is November 1, 2004, through April 30, 2005. *See* 19 CFR 351.214(g)(1)(i)(B). We intend to issue preliminary results of these reviews no later than 180 days from the date of initiation, and final results of these reviews no later than 270 days from the date of initiation. *See* section 751(a)(2)(B)(iv) of the Act.

Because Anqiu Friend has certified that it grew and exported the fresh garlic on which it based its request for a new shipper review, we will instruct U.S. Customs and Border Protection to allow, at the option of the importer, the posting of a bond or security in lieu of a cash deposit for each entry of fresh garlic both grown and exported by Anqiu Friend until the completion of the new shipper review, pursuant to section 751(a)(2)(B)(iii) of the Act. Interested parties that need access to proprietary information in this new shipper review should submit applications for disclosure under administrative protective order in accordance with 19 CFR 351.305 and 351.306.

This initiation and notice are in accordance with section 751(a)(2)(B) of the Act and 19 CFR 351.214 and 351.221(c)(1)(i).
