

level summary reports to monitor each program's progress in accomplishing goals, and achieving program evaluation and population-based outcomes.

OMB approval for the MIS will be requested for a three-year period. Data reported to CDC through the MIS will be used by CDC to identify training and

technical assistance needs, monitor compliance with cooperative agreement requirements, evaluate progress made in achieving program-specific goals, and obtain information needed to respond to Congressional and other inquiries regarding program activities and effectiveness.

Data will be collected electronically twice per year. The burden per response is expected to decrease after respondents become experienced with entering data and the amount of new data to be entered decreases.

There are no costs to respondents other than their time.

ESTIMATED ANNUALIZED BURDEN HOURS

Respondents	Number of respondents	Number of responses per respondent	Average burden per response (in hours)	Total burden (in hours)
