SUPPLEMENTARY INFORMATION:**A. Need for and Use of the Information Collection**

Section 7 of the Federal Home Loan Bank Act (Bank Act) vests the management of each Federal Home Loan Bank (Bank) in its board of directors.¹ As required by section 7, each Bank's board comprises two types of directors:

¹ See 12 U.S.C. 1427(a)(1).

(1) Member directors, who are drawn from the officers and directors of member institutions located in the Bank's district and who are elected to represent members in a particular state in that district; and (2) independent directors, who are unaffiliated with any of the Bank's member institutions, but who reside in the Bank's district and are elected on an at-large basis.² Both types of directors serve four-year terms, which are staggered so that approximately one-quarter of a Bank's total directorships are up for election every year.³ Section 7 and FHFA's implementing regulation, codified at 12 CFR part 1261, establish the eligibility requirements for both types of Bank directors and the professional qualifications for independent directors, and set forth the procedures for their election.

Part 1261 of the regulations requires that each Bank administer its own annual director election process. As part of this process, a Bank must require each nominee for both types of directorship, including any incumbent that may be a candidate for re-election, to complete and return to the Bank a form that solicits information about the candidate's statutory eligibility to serve and, in the case of independent director candidates, about his or her professional qualifications for the directorship being sought.⁴ Specifically, member director candidates are required to complete the *Federal Home Loan Bank Member Director Eligibility Certification Form (Member Director Eligibility Certification Form)*, while independent director candidates must complete the *Federal Home Loan Bank Independent Director Application Form (Independent Director Application Form)*. Each Bank must also require all of its incumbent directors to certify annually that they continue to meet all eligibility requirements.⁵ Member directors do this by completing the *Member Director Eligibility Certification Form* again every year, while independent directors complete the abbreviated *Federal Home Loan Bank Independent Director Annual Certification Form (Independent Director Annual Certification Form)* to certify their ongoing eligibility.

The Banks use the information collection contained in the *Independent Director Application Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as independent directors satisfy the statutory eligibility requirements and possess the professional qualifications required under the statute and regulations. Only individuals meeting those requirements and qualifications may serve as an independent director.⁶ On an annual basis, the Banks use the information collection contained in the *Independent Director Annual Certification Form* and part 1261 to determine whether its incumbent independent directors continue to meet the statutory eligibility requirements. The Banks use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether individuals who wish to stand for election or re-election as member directors satisfy the statutory eligibility requirements. Only individuals meeting these requirements may serve as a member director.⁷ On an annual basis, the Banks also use the information collection contained in the *Member Director Eligibility Certification Form* and part 1261 to determine whether its incumbent member directors continue to meet the statutory eligibility requirements.

The OMB control number for this information collection is 2590-0006. The current clearance for the information collection expires on December 31, 2017. The likely respondents are individuals who are prospective and incumbent Bank directors. A copy of the current version of each of the three forms appears at the end of this notice. FHFA is considering some minor revisions to the forms for use going forward and will publish the revised versions of the forms with the second PRA notice.

B. Burden Estimate

FHFA estimates the total annual hour burden imposed upon respondents by the three Bank director forms comprising this information collection to be 145 hours (37 hours + 75 hours + 33 hours = 145 hours, as detailed below).

The Agency estimates the total annual hour burden on all member director candidates and incumbent member directors associated with review and completion of the *Member Director Eligibility Certification Form* to be 37 hours. This includes a total annual average of 68 member director candidates, with 1 response per individual taking an average of 15 minutes (.25 hours) (68 respondents × .25 hours = 17 hours). It also includes a total annual average of 80 incumbent member directors, with 1 response per individual taking an average of 15 minutes (.25 hours) (80 individuals × .25 hours = 20 hours).

The Agency estimates the total annual hour burden on all independent director candidates associated with review and completion of the *Independent Director Application Form* to be 75 hours. This includes a total annual average of 25 independent director candidates, with 1 response per individual taking an average of 3 hours (25 individuals × 3 hours = 75 hours).

The Agency estimates the total annual hour burden on all incumbent independent directors associated with review and completion of the *Independent Director Annual Certification Form* to be 33 hours. This includes a total annual average of 66 incumbent independent directors, with 1 response per individual taking an average of 30 minutes (.5 hours) (66 individuals × .5 hours = 33 hours).

C. Comments Request

FHFA requests written comments on the following: (1) Whether the collection of information is necessary for the proper performance of FHFA functions, including whether the information has practical utility; (2) the accuracy of FHFA's estimates of the burdens of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

FEDERAL HOME LOAN BANK MEMBER DIRECTOR ELIGIBILITY CERTIFICATION FORM: DIRECTIONS

Line-by-Line Instructions

LINE 1. Print or type your full name.

LINE 2. You must be a United States citizen in order to serve as a member director. Check the appropriate answer.

LINE 3. Provide the address of your principal residence.

LINE 4. You must be an officer or a director of an institution that is a member of the Bank in order to be a member director of that Bank. In addition, the member must be located in the state within the Bank district that is to be represented by the directorship you wish to hold. In most cases, a member will be deemed to be located where it maintains its home office or its principal place of business. Provide the requested information for the member you serve as an officer or director, as well as your title or position at that institution.

LINE 5. If you are an officer or director of any other institution that is a member of this or any other Bank, provide the name and location of the institution(s), as well as the position that you hold at the institution(s).

LINE 6. In order for you to be eligible to serve as a member director, every institution that you serve as an officer or director that is a member of the Bank in which you wish to hold a directorship must be in compliance with all of its applicable minimum capital requirements established by its appropriate federal or state regulator. The term "appropriate federal regulator" has the same meaning as the term "appropriate Federal banking agency" in section 3(q) of the Federal Deposit Insurance Act (12 U.S.C. § 1813(q)) and, for federally insured credit unions, means the National Credit Union Administration. The term "appropriate state regulator" means any state officer, agency, supervisor, or other entity that has regulatory authority over, or is empowered to institute enforcement action against, a member.

Check the appropriate answer as to whether each institution you listed in LINE 4 and LINE 5 is in compliance with all of the applicable minimum capital requirements established by its appropriate federal or state regulator. If the answer is **No**, you must list each non-compliant institution regardless of the Bank of which it is a member. However, your status as an officer or director of a non-compliant institution will render you ineligible to serve as a Bank director only if that institution is a member of the Bank in which you wish to hold a directorship.

STATUTORY ELIGIBILITY REQUIREMENTS

An individual must satisfy certain statutory requirements in order to be eligible for election as an independent director of a Federal Home Loan Bank (Bank). The requirements relate to citizenship, residency, and, for prospective public interest directors, experience in that field. The statute also prohibits an independent director from serving as an officer, employee, or director of an institution that is a member of, or that receives advances from, the Bank on whose board the director serves. The questions below address these statutory requirements.

1. **Citizenship.** Are you a citizen of the United States? Yes ☐ No ☐

2. **Residency.** In order to be an independent director you must be a bona fide resident of a state that is in the geographic district of the Bank on whose board you wish to serve. You will satisfy this requirement if your principal residence is located in that geographic district (A), or if you own or lease a second residence in the district *and* are employed in the district (B). Please indicate the basis you are using to demonstrate bona fide residence.

A. Is your principal residence located in the Bank's geographic district? Yes ☐ No ☐

B. If you answered No, do you own or lease a second residence in the Bank's district *and* are you employed in the district? Yes ☐ No ☐

If so, provide the address of your second home, the name of, and identifying information on, your employer, and your title or position, if different from that on page 1 of this Form.

3. Public Interest Directors. If you are seeking election as a public interest director, you must be able to demonstrate that you have more than four years experience representing consumer or community interests on banking services, credit needs, housing, or consumer financial protections.

If you meet this requirement, provide information on how you have represented such consumer or community interests for more than four years.

4. Conflicts of interest. Independent directors and their spouses may not serve as an officer of any Bank or as an officer, employee, or director of any member of, or any recipient of advances from, the Bank on whose board the independent director serves. You and your spouse will have to give up any conflicting position before you can become a Bank director.

For purposes of this conflict of interest provision, the terms:

“Member” and “Recipient of advances” include the institution itself and any subsidiary of the institution. If the institution is owned by a holding company, the terms include the holding company if 35 percent or more of the holding company’s assets, on a consolidated basis, are attributable to institutions that are members of, or recipients of advances from, the Bank on whose board the independent director serves. Thus, you may not serve as a director, employee, or officer of a holding company if one or more members of, or one or more recipients of advances from, your Bank constitute 35 percent or more of the holding company’s assets.

A. Please specify each position you and your spouse have in any member of, or recipient of advances from, the Bank on whose board you would serve.

B. Do you agree to give up positions that are deemed to be conflicting interests before becoming an independent director of that Bank? Yes ☐ No ☐
