Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Collection title: Notice of Proposed Stock Redemption.

Collection identifier: FR 4008.

OMB control number: 7100-0131.

Frequency: On occasion.

Respondents: Bank holding companies (BHCs).

Estimated number of respondents: 6.

Estimated average hours per response: 15.5.

Estimated annual burden hours: 93.

General description of collection: The Bank Holding Company Act of 1956 (BHC Act) and Board's Regulation Y—Bank Holding Companies and Change in Bank Control (12 CFR 225) require a BHC to seek the prior approval of the Board before purchasing or redeeming its equity securities in certain circumstances. Due to the limited information that a BHC must provide in connection with any such request, there is no required reporting form (the FR 4008 designation is for internal purposes only), and each request for prior approval is generally filed 30 days before the proposed stock purchase or redemption as a notification with the Reserve Bank that has direct supervisory responsibility for the requesting BHC. The Federal Reserve uses the information provided in the redemption notices to supervise BHCs.

Legal authorization and confidentiality: The FR 4008 is authorized pursuant to sections 5(b) and (c) of the BHC Act.¹ Section 5(b) of the BHC Act, as amended by section 616 of the Dodd-Frank Wall Street Reform and Consumer Protection Act,² authorizes the Board to “issue such regulations and orders, including regulations and orders relating to the capital requirements for bank holding companies, as may be necessary to enable it to administer and carry out the purposes of this chapter and prevent evasions thereof.” Section 5(c) of the BHC Act generally authorizes the Board to, among other things, require reports from BHCs on a range of issues. The FR 4008 is required for certain BHCs to obtain the benefit of being able to purchase or redeem their equity securities.

Individual respondents may request that data submitted be kept confidential. If a respondent requests confidential treatment, the Board will determine whether the information is entitled to confidential treatment on an ad hoc basis. Requests may include information related to the BHC's business operations, such as terms and sources of the funding for the redemption and pro forma balance sheets. To the extent that this information constitutes nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, it

may be kept confidential under exemption 4 of the Freedom of Information Act, which exempts “trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential.”³

Current actions: On March 2, 2022, the Board published a notice in the **Federal Register** (87 FR 11706) requesting public comment for 60 days on the extension, without revision, of the FR 4008. The comment period for this notice expired on May 2, 2022. The Board did not receive any comments.

Board of Governors of the Federal Reserve System, June 30, 2022.

Deputy Associate Secretary of the Board.
