

MDIAC helps the OCC meet those goals by providing informed advice and recommendations regarding a range of issues involving minority depository institutions. Nominations should describe and document the proposed member's qualifications for MSAAC or MDIAC membership, as appropriate. Existing MSAAC or MDIAC members may reapply themselves or may be renominated. The OCC will use this nomination process to achieve a balanced advisory committee membership and ensure that diverse views are represented among the membership of officers and directors of mutual and minority institutions. The MSAAC and MDIAC members will not be compensated for their time but will be eligible for reimbursement of travel expenses in accordance with applicable federal law and regulations.
