

Section 6(b) of the Act,⁷ in general, and furthers the objectives of Sections 6(b)(5)⁸ and 6(b)(7)⁹ in particular in that it is designed:

- To prevent fraudulent and manipulative acts and practices,
- to promote just and equitable principles of trade,
- to foster cooperation and coordination with persons engaged in facilitating transactions in securities,
- to remove impediments to and perfect the mechanism of a free and open market and a national market system, and in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change will strengthen its ability to carry out its responsibilities as a self-regulatory organization. CFE must receive the information that TPHs and non-TPHs provide to the CFTC under the new OCR Rule in order to carry out CFE's market surveillance program. For this same reason, CFE also must receive the information that TPHs that are not clearing members provide to the CFTC regarding the identification and reporting of special accounts that TPHs that clearing members must provide to the CFTC under the OCR Rule. In addition, the amendments expressly provide that these TPHs and non-TPHs must provide this information in the form and manner prescribed by the Exchange, which will allow the information's seamless integration into the Exchange's market surveillance program and systems utilized by CFE and its regulatory services provider.

B. Self-Regulatory Organization's Statement on Burden on Competition

CFE does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act, in that the rule change enhances CFE's market surveillance program. The Exchange believes that the proposed rule change is equitable and not unfairly discriminatory because the amendments would apply equally to all TPHs and non-TPHs that are subject to the applicable requirements.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change will become effective on or after February 11, 2015, on a date to be announced by the Exchange through the issuance of a circular. The Exchange will make the effective date of the rule change consistent with the timing of the implementation of the new OCR Rule by the CFTC.

At any time within 60 days of the date of effectiveness of the proposed rule change, the Commission, after consultation with the CFTC, may summarily abrogate the proposed rule change and require that the proposed rule change be refiled in accordance with the provisions of Section 19(b)(1) of the Act.¹⁰

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

SSA sends Form SSA-1458, Certification by Religious Group, to a group's authorized spokesperson to complete and to verify that organizational members meet or continue to meet the criteria for exemption. The respondents are spokespersons for religious groups or sects.

Type of Request: Revision of an OMB-approved information collection.
