

company that directs fund portfolio transactions to the member. However, a member would violate Rule 2830(k) if the member engages in the type of conduct prohibited under paragraphs (1) through (7).

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,⁶ which requires, among other things, that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. One important purpose of Rule 2830(k) is to help eliminate conflicts of interest in the sale of investment company securities, and the proposed rule change will improve NASD's ability to achieve this objective.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

- A. By order approve such proposed rule change, or

[Release No. 34-50601; File No. SR-NASD-2004-160]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change by the National Association of Securities Dealers, Inc. To Extend the Operation of NASD's Alternative Display Facility on a Pilot Basis

October 28, 2004.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 21, 2004, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the NASD. NASD has designated the proposed rule change as constituting a "non-controversial" rule change under paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NASD is proposing to extend for nine months, to July 26, 2005, the operation of NASD's Alternative Display Facility ("ADF") on a pilot basis. The ADF pilot program, as approved by the SEC on July 24, 2002, and extended on April 17, 2003 and January 26, 2004, will expire on October 26, 2004. The pilot permits members to quote and trade only Nasdaq-listed securities on or through the ADF.

Below is the text of the proposed rule change. Proposed new language is underlined; proposed deletions are in brackets.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NASD included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NASD has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

On July 24, 2002, the Commission approved SR-NASD-2002-97,⁴ which authorizes NASD to operate the ADF on a pilot basis for nine months, pending the consideration of SR-NASD-2001-90, in which NASD proposes to operate the ADF on a permanent basis. NASD subsequently filed for immediate effectiveness proposed rule changes SR-NASD-2003-67 to extend the pilot until January 26, 2004,⁵ and SR-NASD-2004-012 to extend the pilot until October 26, 2004.⁶ As described in detail in SR-NASD-2001-90, the ADF is a quotation collection, trade comparison, and trade reporting facility developed by NASD in accordance with the Commission's SuperMontage Approval Order⁷ and in conjunction with Nasdaq's proposal to register as a national securities exchange.⁸ In addition, since the Commission gave its initial approval to the ADF pilot, NASD has filed several other ADF-related rule

change proposals, some of which are effective and have been incorporated into the operation and administration of the pilot.⁹

As proposed in SR-NASD-2001-90, the ADF would provide market participants the ability to quote and trade Nasdaq and exchange-listed securities. The current ADF pilot program, however, permits operation of the ADF with respect to Nasdaq securities only. This is because several regulatory issues relating to the trading of exchange-listed securities on the ADF have not been resolved.

The ADF has been operating successfully during the pilot period. The SEC acknowledged this fact when it approved the launch of SuperMontage, stating that the ADF met the conditions set forth in its SuperMontage Approval Order to provide an alternative quotation collection, trade comparison, and trade reporting facility. NASD believes that the ADF has since continued to honor those conditions. Meanwhile, the issues related to trading exchange-listed securities—and by extension, approval of the operation of the ADF on a permanent basis—remain unresolved. Accordingly, NASD believes it is appropriate to extend the pilot period for ADF trading in Nasdaq securities for nine months or until approval of SR-NASD-2001-90.

⁹ On January 30, 2003, NASD filed proposed rule change SR-NASD-2003-009 to revise the transaction and quotation-related fees applicable to ADF activity during the pilot program. The rule change proposal became effective upon filing, with an implementation date of February 17, 2003. On January 6, 2004, the Commission granted accelerated approval to SR-NASD-2003-145, a proposal to amend the NASD ADF pilot rules to give jurisdiction to a three-member subcommittee of NASD's Market Regulation Committee (MRC) to review system outage determinations under Rule 4300A(f) and excused withdrawal denials under Rule 4619A. The rule change proposal became effective contemporaneously with the Commission's approval. On December 4, 2003, NASD filed for immediate effectiveness a proposed rule change to amend Rule 4613A(c) to clarify that NASD may suspend quotations in the ADF displayed by any market participant, including an ECN, that are no longer reasonably related to the prevailing market.

Additionally, NASD filed with the Commission two other rule change proposals. On March 12, 2004, the Commission approved SR-NASD-2003-175, a rule change proposal to repeal Rule 4613A(e)(1), which requires members that display priced quotations for a Nasdaq security in two or more market centers to display the same priced quotations for that security in each market center. On August 18, 2004, the Commission approved SR-NASD-2004-002, a proposed rule change to amend NASD Rule 4300A to require an ADF Market Participant to provide advance written notice to NASD's ADF Market Operations before denying electronic access to its ADF quote to any NASD member in the limited circumstances where a broker-dealer fails to pay contractually obligated costs for access to the Market Participant's quotations.

The proposed rule change will become effective upon filing, will be implemented at the close of business on October 26, 2004, and will expire on July 26, 2005.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act,¹⁰ which requires that NASD rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination among persons engaged in regulating, clearing, settling, processing information and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. In addition, this rule proposal is consistent with Section 15A(b)(6) of the Act because it does not permit unfair discrimination between customers, issuers, brokers, or dealers, fix minimum profits, impose any schedule or fix rates of commissions, allowances, discounts, or other fees to be charged by members, or regulate matters not related to the purposes of the Act or the administration of NASD.

B. Self-Regulatory Organization's Statement on Burden on Competition

The NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments were neither solicited nor received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The proposed rule change has been filed by NASD as a “non-controversial” rule change under Rule 19b-4(f)(6) under the Act,¹¹ in that the proposed rule change does not significantly affect the protection of investors or the public interest and does not impose any significant burden on competition. NASD has requested that the Commission waive the requirement that the rule change not become operative for 30 days after the date of the filing, as set forth in Rule 19b-4(f)(6)(iii), to

prevent the current ADF pilot program from lapsing. The Commission finds good cause for the proposed rule change to become operative prior to the 30th day after the date of publication of notice of filing thereof because the proposed rule change is to prevent the benefits provided by the current ADF pilot program from lapsing.¹²

At any time within 60 days of this filing, the Commission may summarily abrogate this proposal if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-50606; File No. SR-NASD-2004-074]

Self-Regulatory Organizations; Order Approving Proposed Rule Change and Amendment No. 1 Thereto by the National Association of Securities Dealers, Inc. To Clarify and Modify Market Maker Quote Re-Entry Obligations

October 29, 2004.

On April 28, 2004, the National Association of Securities Dealers, Inc. ("NASD"), through its subsidiary, The Nasdaq Stock Market, Inc. ("Nasdaq"), submitted to the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to NASD Rule 4620 to clarify and modify market maker quote re-entry obligations in the event that a quote is withdrawn by Nasdaq's systems because of a dividend application or a trading halt. On August 31, 2004, Nasdaq filed Amendment No. 1 to the proposed rule change. The **Federal Register** published the proposed rule change, as amended, for comment on September 21, 2004.³ The Commission received no comments on the proposal.

The Commission finds that the proposed rule change, as amended, is consistent with the requirements of the Act and the rules and regulations

thereunder applicable to a national securities association.⁴ In particular, the Commission believes that the proposed rule change is consistent with Section 15A(b)(6) of the Act,⁵ which requires, among other things, that NASD's rules be designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The Commission believes that the proposed rule change appropriately establishes the time frames by which market makers must re-enter two-sided quotations when quotes are withdrawn by Nasdaq's systems due to dividend applications and trading halts. The Commission notes that, under the proposal, if a market maker failed to enter a new quotation prior to the close of the regular market session on the day of the systems withdrawal or, generally, on the day when trading resumed following a trading halt,⁶ the market maker could be reinstated only when Nasdaq MarketWatch received a request from the market maker prior to the close of regular trading on the next day and Nasdaq MarketWatch determined that the market maker was not attempting to avoid its market making obligations by failing to re-enter a two-sided quotation earlier.⁷

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR-NASD-2004-074) be, and it hereby is, approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹
