

threatened species, and their associated ecological communities or habitats;

3. Potential effects that the proposed permit action could have on other aspects of the human environment;

4. Other possible reasonable alternatives that FWS should consider, including additional or alternative avoidance, minimization, and mitigation measures;

5. The presence of historic properties—including archaeological sites, buildings, and structures; historic events; sacred and traditional areas; and other historic preservation concerns—in the proposed plan and permit area, which are required to be considered in project planning by the National Historic Preservation Act;

6. Information on other current or planned activities in, or in the vicinity of, the R-Project and their possible impacts on the covered species, including any connected actions that are closely related and should be discussed in the same draft SEIS; and

7. Other information relevant to the R-Project Revised HCP and its impacts on the human environment.

Public Availability of Comments

You may submit your comments and materials by one of the methods listed in **ADDRESSES**. Before including your address, phone number, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—might be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public disclosure in their entirety.

Comments and materials we receive, as well as supporting documentation we use in preparing the DEIS, will be available for public inspection online in Docket No. FWS-R6-ES-2014-0048, at <https://www.regulations.gov/>.

Next Steps

Once the draft SEIS is prepared, there will be further opportunity for comment on the proposed permit action through an additional public comment period.

Lead and Cooperating Agencies

The FWS is the lead agency for the NEPA process. Cooperating agencies include the Advisory Council on Historic Preservation, History Nebraska,

the Nebraska Game and Parks Commission, the National Park Service, the U.S. Army Corps of Engineers, and the U.S. Environmental Protection Agency. The FWS welcomes inquiries from other Federal, State, or Tribal, or local agencies potentially interested in being a cooperating agency for the NEPA process.

Decisionmakers and Nature of Decision To Be Made

The decisionmaker is the FWS Regional Director of the Mountain-Prairie Region. If, after publication of the record of decision, the agencies determine that all requirements are met for ITP issuance, the decisionmaker will issue a decision on the requested ITP.

Authority

We provide this notice in accordance with the requirements of section 10(c) of the ESA (16 U.S.C. 1539(c)) and NEPA regulations on the publication of a notice of intent to issue an EIS (40 CFR 1501.9(d)).

Drue DeBerry,

Acting Assistant Regional Director, Ecological Services, Mountain-Prairie Region.

Aquatic Nuisance Species Task Force Meeting

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of meeting.

SUMMARY: The U.S. Fish and Wildlife Service gives notice of a public meeting of the Aquatic Nuisance Species (ANS) Task Force, in accordance with the Federal Advisory Committee Act. The ANS Task Force's purpose is to develop and implement a program for U.S. waters to prevent introduction and dispersal of aquatic invasive species; to monitor, control, and study such species; and to disseminate related information.

DATES: The ANS Task Force will meet Wednesday and Thursday, January 11–12, 2023, from 8 a.m. to 5 p.m. each day (Eastern Time).

Registration: Registration is required. The deadline for registration is January 6, 2023.

Accessibility: The deadline for accessibility accommodation requests is

January 6, 2023. Please see *Accessibility Information*, below.

ADDRESSES: The ANS Task Force meeting will take place at the U.S. Fish and Wildlife Service Headquarters, 5275 Leesburg Pike, Falls Church, VA 22041. Virtual participation will also be available via teleconference and broadcast over the internet. To register and receive the web address and telephone number for virtual participation, contact the Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**) or visit the ANS Task Force website at <https://www.fws.gov/program/aquatic-nuisance-species-task-force>.

FOR FURTHER INFORMATION CONTACT:

Susan Pasko, Executive Secretary, ANS Task Force, by telephone at (703) 358–2466, or by email at Susan_Pasko@fws.gov. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: The Aquatic Nuisance Species (ANS) Task Force was established by the Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990, as amended (16 U.S.C. 4721–4728), and is composed of Federal and ex-officio members. The ANS Task Force's purpose is to develop and implement a program for U.S. waters to prevent introduction and dispersal of aquatic invasive species; to monitor, control, and study such species; and to disseminate related information.

This meeting is open to the public. The meeting agenda will include: reports from ANS Task Force members and subcommittees; discussion on priority outputs to advance the goals identified in the ANS Task Force Strategic Plan for 2020–2025; presentations on new species occurrences in the United States; aquatic invasive species risk mitigation measures, advancement of the early detection rapid response framework, and progress on updating or implementing species management plans; recommendations by the ANS Task Force regional panels; and public comment. The final agenda and other related meeting information will be posted on the ANS Task Force website, <https://www.fws.gov/program/aquatic-nuisance-species-task-force>.

Public Input

If you wish to provide oral public comment or provide a written comment for the ANS Task Force to consider, contact the ANS Task Force Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**) no later than Friday, January 6, 2023.

Depending on the number of people who want to comment and the time available, the amount of time for individual oral comments may be limited. Interested parties should contact the ANS Task Force Executive Secretary, in writing (see **FOR FURTHER INFORMATION CONTACT**), for placement on the public speaker list for this meeting. Requests to address the ANS Task Force during the meeting will be accommodated in the order the requests are received. Registered speakers who wish to expand upon their oral statements, or those who had wished to speak but could not be accommodated on the agenda, may submit written statements to the Executive Secretary up to 30 days following the meeting.

Accessibility Information

Please make requests in advance for sign language interpreter services, assistive listening devices, or other reasonable accommodations. Please contact the ANS Task Force Executive Secretary (see **FOR FURTHER INFORMATION CONTACT**) no later than Friday, January 6, 2023, to give the U.S. Fish and Wildlife Service sufficient time to process your request. All reasonable accommodation requests are managed on a case-by-case basis.

Public Disclosure

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 5 U.S.C. appendix 2.

David A. Miko,

Co-Chair, Aquatic Nuisance Species Task Force.

Geological Survey

[GX23ZS00COM0000; OMB Control Number 1028–NEW]

Agency Information Collection Activities; AstroLink Community Survey on the Archive, Access, and Use of Planetary Information

AGENCY: Geological Survey.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (PRA), the U.S. Geological Survey (USGS) is proposing approval of a collection currently in use without approval.

DATES: Interested persons are invited to submit comments on or before January 17, 2023.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to U.S. Geological Survey, Information Collections Officer, 12201 Sunrise Valley Drive MS 159, Reston, VA 20192; or by email to gs-info_collections@usgs.gov. Please reference OMB Control Number 1028–NEW in the subject line of your comments.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact Marc Hunter by email at mahunter@usgs.gov or by telephone at 928–556–7220. Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States.

SUPPLEMENTARY INFORMATION: In accordance with the PRA (44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), all information collections require approval. We may not conduct or sponsor, nor are you required to respond to, a collection of information unless it displays a currently valid OMB control number.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and

provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How the agency might minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personally identifiable information (PII) in your comment, you should be aware that your entire comment—including your PII—may be made publicly available at any time. While you can ask us in your comment to withhold your PII from public review, we cannot guarantee that we will be able to do so.

Abstract: This survey will gather opinions, experiences, and preferences regarding the state of planetary science information, both for data producers and consumers. The results of this survey will be used to provide summary statistics that reflect all aspects of the planetary science community, to include the interested public, and provide actionable information to stakeholders.
