

Notices

Federal Register

Vol. 80, No. 9

Wednesday, January 14, 2015

This section of the FEDERAL REGISTER contains documents other than rules or proposed rules that are applicable to the public. Notices of hearings and investigations, committee meetings, agency decisions and rulings, delegations of authority, filing of petitions and applications and agency statements of organization and functions are examples of documents appearing in this section.

DEPARTMENT OF AGRICULTURE

Submission for OMB Review; Comment Request

January 8, 2015.

The Department of Agriculture has submitted the following information collection requirement(s) to Office of Management and Budget (OMB) for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104-13. Comments regarding (a) whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology should be addressed to: Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, 725-17th Street NW., Washington, DC 20502. Commenters are encouraged to submit their comments to OMB via email to: OIRA_Submission@omb.eop.gov or fax (202) 395-5806 and to Departmental Clearance Office, USDA, OCIO, Mail Stop 7602, Washington, DC 20250-7602. Comments regarding these information collections are best assured of having their full effect if received within 30 days of this notification. Copies of the submission(s) may be obtained by calling (202) 720-8681.

An agency may not conduct or sponsor a collection of information unless the collection of information

displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Rural Utilities Service

Title: 7 CFR 1726, Electric System Construction Policies and Procedures—Electric.

OMB Control Number: 0572-0107.

Summary of Collection: The Rural Electrification Act of 1936, 7 U.S.C. 901 *et seq.*, as amended, (RE ACT) in Sec. 4 (7 U.S.C. 904) authorizes and empowers the Administrator of the Rural Utilities Service (RUS) to make loans in the several States and Territories of the United States for rural electrification and the furnishing and improving of electric energy to persons in rural areas. These loans are for a term of up to 35 years and are secured by a first mortgage on the borrower's electric system. In the interest of protecting loan security and accomplishing the statutory objective of a sound program of rural electrification, Section 4 of the RE Act further requires that RUS make or guarantee a loan only if there is reasonable assurance that the loan, together with all outstanding loans and obligations of the borrower, will be repaid in full within the time agreed. RUS will collect information using various RUS forms.

Need and Use of the Information: RUS will collect information to implement certain provisions of the RUS standard form of loan documents regarding the borrower's purchase of materials and equipment and the construction of its electric system by contract or force account. The use of standard forms and procurement procedures helps assure RUS that appropriate standards and specifications are maintained; agency loan security is not adversely affected; and loan and loan guarantee funds are used effectively and for the intended purposes. The information will be used by RUS electric borrowers, their contractors and by RUS. If standard forms were not used, borrowers would need to prepare their own documents at a significant expense; and each document submitted by a borrower would require extensive and costly

review by both RUS and the Office of the General Counsel.

Description of Respondents: Not-for-profit institutions; Business or other for-profit.

Number of Respondents: 1,161.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 98.

Rural Utilities Service

Title: 7 CFR part 1724 and part 1738 Electric Engineering, Architectural Services and Design Policies and Procedures; and Rural Broadband Access Loans and Loan Guarantees.

OMB Control Number: 0572-0118.

Summary of Collection: The Rural Electrification Act of 1936, 7 U.S.C. 901 *et seq.*, as amended, authorizes Rural Utilities Service (RUS) to make loans in several States and Territories of the United States for broadband access and rural electrification and the furnishing and improving of electric energy to persons in rural areas. Title 7 CFR 1724 requires each borrower to select a qualified architect to perform certain architectural services and to use the designated form that provides for these services. The agency has developed standardized contractual forms used by borrowers to contract for services.

Need and Use of the Information: The information collected stipulates the parties to the agreement, contain certain information relating to the approved loan or loan guarantee, and provide detailed contractual obligations and services to be provided and performed relating to construction, project design, construction management, compensation, and related information. The contractual forms provide standardized contract agreements between the electric or broadband borrower and the engineering or architectural firm providing services to the borrower. This has resulted in substantial savings to borrowers by reducing preparation of the documentation and the costly review by the government.

Description of Respondents: Business or other for-profit; Not-for-profit institutions.

Number of Respondents: 59.

Frequency of Responses: Reporting: On occasion.

Total Burden Hours: 63.

Food Safety and Inspection Service

[Docket Number FSIS-2014-0038]

RIN 0583-AD40

2015 Rate Changes for the Basetime, Overtime, Holiday, and Laboratory Services Rates

AGENCY: Food Safety and Inspection Service, USDA.

ACTION: Notice.

SUMMARY: The Food Safety and Inspection Service (FSIS) is announcing the 2015 rates that it will charge meat and poultry establishments, egg products plants, and importers and exporters for providing voluntary, overtime, and holiday inspection and identification, certification, and laboratory services. The 2015 basetime, overtime, holiday, and laboratory services rates will be applied beginning the first FSIS pay period approximately 30 days after the publication of this notice. This pay period begins on February 22, 2015.

DATES: FSIS will charge the rates announced in this notice beginning February 22, 2015.

FOR FURTHER INFORMATION CONTACT: For further information contact Michael Toner, Director, Budget Division, Office of Management, FSIS, U.S. Department of Agriculture, Room 2159, South Building, 1400 Independence Avenue SW., Washington, DC 20250-3700; Telephone: (202) 690-8398, Fax: (202) 690-4155.

SUPPLEMENTARY INFORMATION:

Background

On April 12, 2011, FSIS published a final rule amending its regulations to establish formulas for calculating the rates it charges meat and poultry establishments, egg products plants, and importers and exporters for providing voluntary, overtime, and holiday inspection and identification, certification, and laboratory services (76 FR 20220).

In the final rule, FSIS stated that it would use the formulas to calculate the annual rates, publish the rates in a **Federal Register** notice before the start of each calendar year and apply the

rates on the first FSIS pay period at the beginning of the calendar year.

This notice announces the 2015 rates, which will be applied starting on February 22, 2015.

2015 Rates and Calculations

The following table lists the 2015 Rates per hour, per employee, by type of service:

Service	2015 Rate (estimates rounded to reflect billable quarters)
Basetime	\$55.60
Overtime	70.28
Holiday	85.00
Laboratory	70.52

The regulations state that FSIS will calculate the rates using formulas that include the Office of Field Operations (OFO) and Office of International Affairs (OIA) inspection program personnel's previous fiscal year's regular direct pay and regular hours (9 CFR 391.2, 391.3, 391.4, 590.126, 590.128, 592.510, 592.520, and 592.530). In 2013, an Agency reorganization eliminated the OIA program office and transferred all of its inspection program personnel to OFO. Therefore, pay and hours of inspection program personnel are identified in the calculations as "OFO inspection program personnel's" pay and hours.

FSIS determined the 2015 rates using the following calculations:

Basetime Rate = The quotient of dividing the OFO inspection program personnel's previous fiscal year's regular direct pay by the previous fiscal year's regular hours, plus the quotient multiplied by the calendar year's percentage of cost of living increase, plus the benefits rate, plus the travel and operating rate, plus the overhead rate, plus the allowance for bad debt rate.

The calculation for the 2015 basetime rate per hour per program employee is:

[FY 2014 OFO Regular Direct Pay divided by the previous fiscal year's Regular Hours (\$396,361,959/13,707,069)] = \$28.91 + (\$28.91 * 1.7% (calendar year 2015 Cost of Living Increase)) = \$29.41 + \$8.78 (benefits rate) + \$.79 (travel and operating rate) + \$16.61 (overhead rate) + \$.02 (bad debt allowance rate) = \$55.60.

Overtime Rate = The quotient of dividing the Office OFO inspection program personnel's previous fiscal year's regular direct pay by the previous fiscal year's regular hours, plus that quotient multiplied by the calendar year's percentage of cost of living

increase, multiplied by 1.5 (for overtime), plus the benefits rate, plus the travel and operating rate, plus the overhead rate, plus the allowance for bad debt rate.

The calculation for the 2015 overtime rate per hour per program employee is:

[FY 2014 OFO Regular Direct Pay divided by previous fiscal year's Regular Hours (\$396,361,959/13,707,069)] = \$28.91 + (\$28.91 * 1.7% (calendar year 2015 Cost of Living Increase)) = \$29.41 * 1.5 = \$44.11 + \$8.78 (benefits rate) + \$.79 (travel and operating rate) + \$16.61 (overhead rate) + \$.02 (bad debt allowance rate) = \$70.30 (rounded to \$70.28).¹

Holiday Rate = The quotient of dividing the OFO inspection program personnel's previous fiscal year's regular direct pay by the previous fiscal year's regular hours, plus that quotient multiplied by the calendar year's percentage of cost of living increase, multiplied by 2 (for holiday pay), plus the benefits rate, plus the travel and operating rate, plus the overhead rate, plus the allowance for bad debt rate.

The calculation for the 2015 holiday rate per hour per program employee calculation is:

[FY 2014 OFO Regular Direct Pay divided by Regular Hours (\$396,361,959/13,707,069)] = \$28.91 + (\$28.91 * 1.7% (calendar year 2015 Cost of Living Increase)) = \$29.41 * 2 = \$58.82 + \$8.78 (benefits rate) + \$.79 (travel and operating rate) + \$16.61 (overhead rate) + \$.02 (bad debt allowance rate) = \$85.00.²

Laboratory Services Rate = The quotient of dividing the Office of Public Health Science (OPHS) previous fiscal year's regular direct pay by the OPHS previous fiscal year's regular hours, plus the quotient multiplied by the calendar year's percentage cost of living increase, plus the benefits rate, plus the travel and operating rate, plus the overhead rate, plus the allowance for bad debt rate.

The calculation for the 2015 laboratory services rate per hour per program employee is:

[FY 2014 OPHS Regular Direct Pay/OPHS Regular hours (\$24,061,554/551,995)] = \$43.59 + (\$43.59 * 1.7% (calendar year 2015 Cost of Living Increase)) = \$44.33 + \$8.78 (benefits rate) + \$.79 (travel and operating rate) + \$16.61 (overhead rate) + \$.02 (bad debt allowance rate) = \$70.52.

¹ FSIS can bill basetime, overtime, and holiday rates on the quarter hour. Accordingly, the 2015 overtime and holiday rates were rounded down so that rates can equally be divided by 4 (to 2 decimal places).
