

fishing gear. After that, members of the public will have the opportunity to speak during an open comment period on issues that relate to Council business but are not included on the published agenda for this meeting. The Council asks the public to limit remarks to 3–5 minutes. These comments will be received both in person and through the webinar. A guide for how to publicly comment through the webinar is available on the Council website at <https://s3.amazonaws.com/nefmc.org/NEFMC-meeting-remote-participation-generic.pdf>. The Scallop Committee report, which contains five items, will come next. The Council will: (1) approve 2023–24 Scallop Research Set-Aside (RSA) Program priorities; (2) initiate an action to develop 2023 fishery specifications, 2024 default specifications, and other measures; (3) receive an update from the Scallop Survey Working Group; (4) receive an update on the scoping process for limited access leasing; and (5) be provided with information about scallop issues in the Nantucket Lightship South Access Area. Following the scallop report, the Council will close out the meeting with other business.

Although non-emergency issues not contained on this agenda may come before the Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
