SUPPLEMENTARY INFORMATION: The FAA is issuing this notice pursuant to the National Parks Air Tour Management Act of 2000 (Pub. L. 106–181) and its implementing regulations contained in Title 14, Code of Federal Regulations, Part 136, National Parks Air Tour Management. The public is invited to review and provide comment on alternatives in the development of an Air Tour Management Plan (ATMP) for the Haleakala National Park. The FAA is the Lead Agency and the NPS is a Cooperating Agency in the development of an Environmental Impact Statement (EIS), an ATMP, and associated rulemaking actions which comply with the National Environmental Policy Act of 1969 (NEPA) requirements.

The EIS is being prepared in accordance with FAA Order 1050.1E, Environmental Impacts: Policies and Procedures, NPS Director's Order #12: Conservation Planning, Environmental Impact Analysis, and Decision-making, and NPS Management Policies. The FAA is now inviting the public, agencies, and other interested parties to provide comments, suggestions, and

input regarding the range of alternatives and the potential impacts and effects of the alternatives on commercial air tours, natural resources, congressionally designated wilderness, cultural resources, and the park visitor experience.

Attendance is open to the interested public but limited to space availability. The FAA requests that comments be as specific as possible in response to actions that are being proposed under this notice. Both oral and written comments will be accepted during these meetings. Agency personnel will be available to record your spoken comments. All recorded and written comments become part of the official record along with previously submitted scoping comments. Comments can also be submitted to the NPS Planning, Environment and Public Comment Web site at: <http://parkplanning.nps.gov/hale>.
