

component of its deliberations and believes that this tribal consultation meeting will allow for constructive dialogue with the Tribal community, Tribal Leaders, Tribal Elders, elected members of Alaska Native Villages or their appointed representatives, and principals of tribally-owned and ANC-owned firms participating in SBA programs.

The format of this tribal consultation meeting will consist of a panel of SBA representatives who will preside over the session. The oral and written testimony as well as any comments SBA receives will become part of the administrative record for SBA's consideration. Written testimony may be submitted in lieu of oral testimony. SBA will analyze the testimony, both oral and written, along with any written comments received. SBA officials may ask questions of a presenter to clarify or further explain the testimony. The purpose of the tribal consultation is to assist SBA with gathering information to guide SBA's review process and to potentially develop new proposals. SBA is open to receiving comments on any SBA small business program that concerns the Native community but specifically requests comments on those issues set forth above. Presenters are encouraged to provide a written copy of their testimony. SBA will accept written material that the presenter wishes to provide that further supplements his or her testimony. Electronic or digitized copies are encouraged.

The tribal consultation meeting will be held for one day. The meeting will begin at 1:00 a.m. and end at 4:00 p.m. (EDT). SBA will adjourn early if all those scheduled have delivered their testimony.
