Title: Customs Modernization Act Recordkeeping Requirements.

OMB Number: 1651–0076.

Abstract: The North American Free Trade Agreement Implementation Act, Title VI, known as the Customs Modernization Act (Mod Act) amended title 19 U.S.C. 1508, 1509 and 1510 by revising Customs and Border Protection (CBP) laws related to recordkeeping, examination of books and witnesses, regulatory audit procedures and judicial enforcement. Specifically, the Mod Act expanded the list of parties subject to CBP recordkeeping requirements; distinguished between records which pertain to the entry of merchandise and financial records needed to substantiate the correctness of information contained in entry documentation; and identified a list of records which must be maintained and produced upon request by CBP. The information and records are used by CBP to verify the accuracy of the claims made on the entry documents regarding the tariff status of imported merchandise, admissibility, classification/nomenclature, value and rate of duty applicable to the entered goods. The Mod Act record keeping requirements are provided for by 19 CFR 163 and instructions are available at: <http://www.cbp.gov/document/publications/recordkeeping>.
