Administration for Children and Families

Proposed Information Collection Activity; Comment Request

Title: Permanency Innovations Initiative Evaluation: Phase 2.

OMB No.: 0970-0408.

Description: The Administration for Children and Families (ACF), U.S. Department of Health and Human

⁵ In particular, the written request for confidential treatment that accompanies the comment must include the factual and legal basis for the request, and must identify the specific portions of the comment to be withheld from the public record. See FTC Rule 4.9(c), 16 CFR 4.9(c).

Services (HHS) intends to collect data for an evaluation of the Permanency Innovations Initiative (PII). This 5-year initiative, funded by the Children's Bureau (CB) within ACF, is intended to build the evidence base for innovative interventions that enhance well-being and improve permanency outcomes for particular groups of children and youth who are at risk for long-term foster care and who experience the most serious barriers to timely permanency.

The CB has funded six grantees to identify local barriers to permanent placement and implement innovative strategies that mitigate or eliminate those barriers and reduce the likelihood that children will remain in foster care for three years or longer. The first year of the initiative focused on clarifying grantees' target populations and

intervention programs. In addition, evaluation plans were developed to support rigorous site-specific and cross-site studies to document the implementation and effectiveness of the grantees' projects and the initiative overall.

Data collection for the PII evaluation includes a number of components being launched at different points in time. Phase 1 included data collection for a cross-site implementation evaluation and site-specific evaluations of two PII grantees (Washoe County, Nevada, and the State of Kansas). Phase 1 data collection was approved August 2012 (OMB# 0970-0408).

The second phase includes site-specific evaluations of four PII grantees expected to implement interventions in the third year of the PII grant period.

The four grantees are Arizona Department of Economic Security (ADES); California Department of Social Services' California Partnership for Permanency (CAPP); Illinois Department of Children and Family Services (DCFS); and the Los Angeles Gay and Lesbian Center's Recognize Intervene Support Empower (RISE). Later submission for a cost study is planned for late Spring 2013, with data collection to begin in late Fall 2013.

Data for the evaluations will be collected through: (1) Surveys of children, youth, foster parents, guardians, biological parents, and caseworkers; and (2) document reviews of case records.

Respondents: Children/youth and their parents or permanent or foster caregivers, caseworkers.
