

is to provide quality, accessible and affordable childcare programs and services to support the overall operational readiness and retention of eligible Marine Corps families. The mission of the SLP is to promote awareness of the unique educational needs of military connected children and facilitate successful school transitions. CYP and SLP information collections are necessary to obtain interest in being a peer leader, educational information, and assistance from local school districts and CYP programs to support transitioning families. Peer leaders are representatives of Youth Connection that will attend events and activities, submit paperwork on time, respond to communication, and request help when needed.

## DEPARTMENT OF DEFENSE

### Department of the Navy

[Docket ID: USN-2025-HQ-0137]

#### Proposed Collection; Comment Request

**AGENCY:** Department of the Navy, Department of Defense (DoD).

**ACTION:** 60-Day information collection notice.

**SUMMARY:** In compliance with the *Paperwork Reduction Act of 1995*, the United States Marine Corps Manpower and Reserve Affairs announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

**DATES:** Consideration will be given to all comments received by October 6, 2025.

**ADDRESSES:** You may submit comments, identified by docket number and title, by any of the following methods:

*Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

*Mail:* Department of Defense, Office of the Assistant to the Secretary of Defense for Privacy, Civil Liberties, and Transparency, Regulatory Directorate, 4800 Mark Center Drive, Mailbox #24 Suite 05F16, Alexandria, VA 22350-1700.

*Instructions:* All submissions received must include the agency name, docket number and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

**FOR FURTHER INFORMATION CONTACT:** To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to AR Division, Headquarters Marine Corps 3000 Marine Corps, Pentagon Rm 2B253, Mark Kazzi, [mark.kazzi@usmc.mil](mailto:mark.kazzi@usmc.mil), (571) 256-8883.

#### SUPPLEMENTARY INFORMATION:

*Title:* Associated Form; and OMB Number: USMC Dependency Statement Child Born Out of Wedlock Under Age 21, NAVMC 1750-13; OMB Control Number 0712-0010.

*Needs and Uses:* The information collected will be used to support Installation/Command level and MFP-1 dependency determinations and basic allowance housing (BAH) entitlement decisions for children under the age of 21 born out of wedlock to non-service member guardians not residing in the service member's household. Respondents are made aware of this collection through MCO 1751.3 Ch1 and their Installation Personnel Administration Center (IPAC). The respondents can obtain a copy of the Navy/Marine Corps (NAVMC) 1750/13 through the NAVMC forms website (<https://forms.documentservices.dla.mil/order/>) or from their IPAC via email. IPAC contact information for respondents to seek assistance with obtaining, completing, or submitting the NAVMC 1750/13 is outlined in their IPAC's Standard Operating Procedures (SOP). A sample of the IPAC SOP is attached to this package.

The service member requesting the BAH entitlement completes sections 1 and 2 on the digitally fillable NAVMC 1750/13 and signs the form. The non-service member guardian of the claimed dependent completes sections 3-12 on

the NAVMC 1750/13, prints the document, signs in the presence of a Notary Public, and has the form notarized to officially confirm their responses. The minors themselves are not authorized respondents. Respondents submit their completed and notarized NAVMC 1750/13, along with any appropriate supporting documentation related to their individual responses, via email or in person to their IPAC personnel officer as directed by their IPAC's SOP. Cases are typically adjudicated by the IPAC personnel officer at the Installation/Command level and the approval decision for BAH entitlement is communicated to the respondent telephonically. The IPAC personnel officer elevates cases that can't be resolved at the Installation/Command level to MFP-1 at [mfp1@usmc.mil](mailto:mfp1@usmc.mil). MFP-1 will then make a final determination based on the provided documentation and reply to the IPAC personnel officer, who telephonically notifies the respondent of the result of the dependency determination/BAH entitlement decision.

*Affected Public:* Individuals or households.

*Annual Burden Hours:* 25.

*Number of Respondents:* 20.

*Responses per Respondent:* 1.

*Annual Responses:* 20.

*Average Burden per Response:* 75 minutes.

*Frequency:* On occasion.

The NAVMC Form 1750/13, "USMC Dependency Statement Child Born Out of Wedlock Under Age 21" is needed to assist USMC Installation command representatives and the Marine and Family Programs Division, Defense Enrollment Eligibility Reporting System/Dependency Determination Section (MFP-1) in properly making informed BAH entitlement determinations for claimed children under the age of 21 born out of wedlock to non-service member partners and who do not reside within the household of the service member. The collection provides formal documentation and respondent attestation of overall financial support case facts, which is a particularly critical piece of documentation in cases where the legitimacy of primary dependency status or service member BAH entitlement claim is deemed questionable to the USMC.

The NAVMC 1750/13 is distributed and collected via email, and respondents' complete sections 1-12 electronically on the fillable PDF. The collection cannot be conducted 100% electronically, as signatures required in section 13 must be done on a printed

hard copy with a Notary Public present to certify the legitimacy of the provided information.

Dated: July 31, 2025.

## DEPARTMENT OF EDUCATION

### Annual Updates to the Income-Contingent Repayment (ICR) Plan Formula for 2025—William D. Ford Federal Direct Loan Program

**AGENCY:** Federal Student Aid, Department of Education.

**ACTION:** Notice.

**SUMMARY:** The Secretary announces the annual updates to the ICR plan formula for 2025 to give notice to borrowers and the public regarding how monthly ICR payment amounts will be calculated for the 2025–2026 year under the William D. Ford Federal Direct Loan (Direct Loan) Program, Assistance Listing Number 84.063.

**DATES:** The adjustments to the income percentage factors for the ICR plan formula contained in this notice are applicable from July 1, 2025, to June 30, 2026, for any borrower who enters the ICR plan or has a monthly payment amount under the ICR plan recalculated during that period.

**FOR FURTHER INFORMATION CONTACT:** Travis Sturlaugson, U.S. Department of Education, 400 Maryland Avenue SW, Washington, DC 20202. Telephone: (202) 377-4174. Email: [travis.sturlaugson@ed.gov](mailto:travis.sturlaugson@ed.gov).

#### SUPPLEMENTARY INFORMATION:

Under the Direct Loan Program, borrowers may choose to repay their non-defaulted Direct Subsidized Loans, Direct Unsubsidized Loans, Direct PLUS

Loans made to graduate or professional students, and Direct Consolidation Loans under the ICR plan. The ICR plan bases the borrower's monthly payment amount on the borrower's Adjusted Gross Income (AGI), family size, loan amount, and the interest rate applicable to each of the borrower's loans.

A Direct Loan borrower who repays under the ICR plan pays the lesser of: (1) the monthly amount that would be required over a 12-year repayment period with fixed payments, multiplied by an income percentage factor; or (2) 20 percent of their discretionary income.

We adjust the income percentage factors annually to reflect changes in inflation and announce the adjusted factors in the **Federal Register**, as required by 34 CFR 685.209(f)(4)(i)(A). We use the adjusted income percentage factors to calculate a borrower's monthly ICR payment amount when the borrower initially applies for the ICR plan or when the borrower submits annual income documentation, as required under the ICR plan. This notice contains the adjusted income percentage factors for 2025, examples of how the monthly ICR payment amount is calculated, and charts showing sample repayment amounts based on the adjusted ICR plan formula. This information is included in the following three attachments:

- *Attachment 1—Income Percentage Factors for 2025*
- *Attachment 2—Examples of the Calculations of Monthly Repayment Amounts*
- *Attachment 3—Charts Showing Sample ICR Repayment Amounts for Single and Married Borrowers*

In Attachment 1, to reflect changes in inflation, we updated the income percentage factors that were published in the **Federal Register** on April 5, 2024 (89 FR 23990). Specifically, we have revised the table of income percentage factors by changing the dollar amounts of the incomes shown by a percentage equal to the estimated percentage change between the not-seasonally-

adjusted Consumer Price Index for all urban consumers for December 2024 and December 2025.

The income percentage factors reflected in Attachment 1 may cause a borrower's payments to be lower than they were in prior years, even if the borrower's income is the same as in the prior year. The revised repayment amount more accurately reflects the impact of inflation on the borrower's current ability to repay.
