

first milkfat price release was published on May 11, 2001. The survey was continued but, due to the nature of milkfat pricing, it was often difficult for respondents to report in a timely manner and revisions to previous week's figures were common. Contacts with representatives from the dairy industry and other government agencies indicated that the milkfat price data were not useful to the dairy industry and were not used in making marketing or regulatory decisions. Therefore NASS will discontinue the collection of milkfat price data and the biweekly release after December 20, 2002.

Copies of this information collection and related instructions can be obtained without charge from Ginny McBride, the Agency OBM Clearance Officer, at (202) 720-5778.

Deputy Administrator for Programs and Products.
