SUPPLEMENTARY INFORMATION: Following is a summary of the use and burden associated with the subject information collection(s). More detailed information can be found in the collection's supporting statement and associated materials (see **ADDRESSES**).

Generic Information Collection

1. *Title of Information Collection:* CHIP State Plan Eligibility; *Type of Information Collection Request:* Revision of a currently approved collection; *Use:* Under section 2110(b)(2)(A) of the Social Security Act (SSA) and 42 CFR 457.310(c)(2)(i),

children who are inmates of a public institution are excluded from the definition of targeted low-income child and therefore are not eligible for CHIP. However, section 5121 of the Consolidated Appropriations Act of 2023 (CAA, 2023) added a new section 2110(b)(7) to the SSA that provides limited exceptions to this exclusion. Effective January 1, 2025, children are no longer subject to the CHIP eligibility exclusion if they are within 30 days prior to their release from incarceration from a public institution.

Also, under section 5121, a new section 2102(d) was added to the SSA, effective January 1, 2025, which prohibits states from terminating otherwise eligible CHIP enrollees who are inmates of a public institution and instead permits states to suspend coverage during the enrollee's incarceration. States that elect to suspend coverage may implement either a benefits or eligibility suspension. States must also provide screening and diagnostic services, and case management services available under the CHIP state plan in the 30 days prior to release in accordance with section 2102(d)(2) of the SSA.

Additionally, through section 5122 of the CAA, 2023 states may implement the option to lift the CHIP eligibility exclusion for children who are incarcerated while pending disposition of charges and provide them with full CHIP state plan benefits during that time.

This May 2025 iteration adds a new CHIP eligibility template "General Eligibility—Incarcerated CHIP Beneficiaries" and an associated implementation guide. The revision is intended to conform with the sections 5121 and 5122 of the CAA, 2023.

Form Number: CMS-10398 #17 (OMB control number: 0938-1148); *Frequency:* Once and Occasionally; *Affected Public:* State, Local, or Tribal Governments; *Number of Respondents:* 56; *Total Annual Responses:* 56; *Total Annual Hours:* 2,805.
