

instruct CBP to apply an *ad valorem* assessment rate of 4.69 rate to all entries of subject merchandise produced and/or exported by such firms.

Consistent with the *Assessment Policy Notice*,⁶ for TPN FlexPac Co., Ltd., which claimed that it had no shipments of subject merchandise to the United States, we will instruct CBP to assess antidumping duties on all entries of subject merchandise at the cash deposit rate applicable for the intermediary company, or if no such rate exists, at the all-others rate of 4.69 percent from the *Section 129 Determination*.

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of review.

Cash Deposit Requirements

The following deposit requirements will be effective upon publication of the notice of final results of administrative review for all shipments of PRCBs from Thailand entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2) of the Act: (1) The cash deposit rates for the reviewed companies, except for TPN FlexPac Co., Ltd., will be the rates established in the final results of this review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, a prior review, or the less-than-fair-value investigation but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; (4) if neither the exporter nor the manufacturer has its own rate, the cash deposit rate will be 4.69 percent.⁷ These deposit requirements, when imposed, shall remain in effect until further notice.

Notifications to Importer

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

These preliminary results of administrative review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: May 6, 2013.

Paul Piquado,

Assistant Secretary for Import Administration.
