PEACE CORPS**22 CFR Part 303**

RIN 0420-AA29

Freedom of Information Act Administration**AGENCY:** Peace Corps.**ACTION:** Final rule.

SUMMARY: The final rule updates Peace Corps regulations on the Freedom of Information Act (FOIA) to implement guidance given by the President and the Attorney General regarding discretionary disclosures of records or information exempt from disclosure under the FOIA, whenever disclosure would not foreseeably harm an interest protected by a FOIA exemption. The final rule is based on language used by Department of Justice in its FOIA regulations. The Peace Corps received comments from the National Archives and Records Administration's Office of Government Information Services (OGIS).

DATES: This final rule is effective May 12, 2014.

FOR FURTHER INFORMATION CONTACT: Anne Hughes, Office of the General Counsel, Policy and Program Analyst, 1111 20th Street NW., Washington, DC 20526, and 202-692-2164.

SUPPLEMENTARY INFORMATION: The revisions to the Peace Corps' Freedom of Information Act ("FOIA") regulations would incorporate the disclosure principles contained in President Obama's January 21, 2009 Memorandum regarding FOIA, the Attorney General's FOIA Guidelines to Favor Disclosure and Transparency dated March 19, 2009, and the Guide to the Freedom of Information Act promulgated by the Department of Justice's Office of Information Policy. The final rule deletes unnecessary and superfluous language and ensures the rule is consistent with current law. The final rule inserts additional contact information for the filing of initial FOIA requests; inserts additional contact information for the filing of administrative appeals; and adds two FOIA exemptions: 5 U.S.C. 552(b)8, Contained in or related to examination, operating, or condition reports prepared by, on behalf of, or for the use of an agency responsible for the regulation or supervision of financial institutions; and (b)9, Geological and geophysical information and data, including maps, concerning wells. The Peace Corps FOIA regulations were last revised May 14, 2007 (72 FR 27055).
