

There is a commensurate decrease in the burden hours for this collection due to the discontinuance and removal of VA Form 10–307 and the anticipated decrease in the number of 10–306 forms that will be received annually by VA.

VA received two public comments on the 60-day notice published in the **Federal Register**. The comments did not directly address the information collected in VA Form 10–306 for inquiries related to past PCAFC decisions. VA provided responses to these comments but will not make any changes to the information collection as a result of the comments.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 90 FR 22163, May 23, 2025.

Abstract: VA Form 26–1880 is used by VA to determine an applicant's eligibility for Loan Guaranty benefits, and the amount of entitlement available. This form is also used in restoration of entitlement cases. The buyer must also meet the occupancy and income and credit requirements of the law. The restoration of an entitlements is not automatic; an applicant must apply for it by completing VA Form 26–1880. The

Secretary is required by 38 U.S.C. 3702 (a), (b), and (c) to determine the applicant's eligibility for Loan Guaranty benefits, compute the amount of entitlement, and document the certificate with the amount and type of guaranty used and the amount, if any, remaining. In addition, adjustments were made to the burden hours from the previous submission, due to a decrease in the applications and the removal of the electronic COE requests that are automatically issued that do not require the completion or collection of VA Form 26–1880. The reduction in applications is attributed to the amount of electronic service documentation available and market conditions that has led to a small decrease in benefit usage.

Affected Public: Individuals and households.

Estimated Annual Burden: 90,625 hours.

Estimated Average Burden per Respondent: 15 minutes.

Frequency of Response: 1 Time per loan.

Estimated Number of Respondents: 362,500 annually.
