### Health Resources and Services Administration

#### Meeting of the Advisory Committee on Infant and Maternal Mortality (Formerly the Advisory Committee on Infant Mortality)

**AGENCY:** Health Resources and Services Administration (HRSA), Department of Health and Human Services.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Federal Advisory Committee Act, this notice announces that the Advisory Committee on Infant and Maternal Mortality (ACIMM) has scheduled a public meeting. Information about ACIMM and the agenda for this meeting including any changes to the meeting times can be found on the ACIMM website at <https://www.hrsa.gov/advisory-committees/infant-mortality/index.html>.

**DATES:** June 14, 2022, 11:00 a.m. to 5:30 p.m. Eastern Time and June 15, 2022, 11:00 a.m. to 5:30 p.m. Eastern Time.

**ADDRESSES:** This meeting will be held virtually via webinar. *The webinar link and log-in information will be available at the ACIMM website before the meeting:* <https://www.hrsa.gov/advisory-committees/infant-mortality/index.html>.

**FOR FURTHER INFORMATION CONTACT:** Anne Leitch, Maternal and Child Health Bureau, HRSA, 5600 Fishers Lane, Room 18W46, Rockville, Maryland 20857; (301) 443-1321; or [SACIM@hrsa.gov](mailto:SACIM@hrsa.gov).

**SUPPLEMENTARY INFORMATION:** ACIMM is authorized by section 222 of the Public Health Service Act, as amended. The Committee is governed by provisions of Public Law 92-463, as amended, which sets forth standards for the formation and use of Advisory Committees.

The ACIMM advises the Secretary of Health and Human Services (Secretary) on department activities, partnerships, policies, and programs directed at reducing infant mortality, maternal mortality and severe maternal morbidity, and improving the health status of infants and women before, during, and after pregnancy. The Committee provides advice on how to coordinate federal, state, local, tribal, and territorial government efforts designed to improve infant mortality, related adverse birth outcomes, and maternal health, as well as influence similar efforts in the private and voluntary sectors. The Committee provides guidance and

recommendations on the policies, programs, and resources required to address the disparities and inequities in infant mortality, related adverse birth outcomes and maternal health outcomes, including maternal mortality and severe maternal morbidity. With its focus on underlying causes of the disparities and inequities seen in birth outcomes for women and infants, the Committee advises the Secretary on the health, social, economic, and environmental factors contributing to the inequities and proposes structural, policy, and/or systems level changes.

The agenda for the June 14–15, 2022, meeting is being finalized and may include the following topics: Federal program updates; Sudden Infant Death Syndrome/Sudden Unexpected Infant Death; Violence, Incarceration, and Substance Abuse; Cultural Strength/Resilience; American Indian/Alaskan Native maternal and infant health disparities; Workforce and Workforce Development; and Race Concordant Care.

Agenda items and meeting start and end times are subject to change as priorities dictate. Refer to the ACIMM website listed above for updated information concerning the meeting.

Members of the public will have the opportunity to provide written or oral comments. Requests to submit a written statement or make oral comments to ACIMM should be sent to Anne Leitch using the email address above at least 3 business days prior to the meeting. Public participants may submit written statements in advance of the scheduled meeting by emailing [SACIM@hrsa.gov](mailto:SACIM@hrsa.gov). Oral comments will be honored in the order they are requested and may be limited as time allows.

Individuals who plan to attend and need special assistance or some reasonable accommodation should notify Anne Leitch at the contact information listed above at least 10 business days prior to the meeting.

**SUPPLEMENTARY INFORMATION:** Interested persons are invited to send comments regarding this burden estimate or any other aspect of this collection of information, including any of the following subjects: (1) The necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.

*Title of the Collection:* Medical Reserve Corps Unit Profile and Reports.

*Type of Collection:* Revision.

OMB No. 0990-0302.

*Abstract:* Medical Reserve Corps Units are currently located in 748 communities across the United States and represent a resource of over 300,000 volunteers. To continue to support MRC units, detailed information about the MRC units, including unit/user demographics, contact information, volunteer numbers and information about non-emergency and emergency unit activities is needed by the MRC Program. MRC Unit Leaders are asked to update this information on the MRC website at least quarterly and to participate in a technical assistance assessment using the Capability Assessment and Factors for Success at least annually. This collection informs resources and tools developed as part of national programing and helps to identify trends and target technical assistance to support MRC units’
