SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-56239; File No. SR-CBOE-2007-84]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing of a Proposed Rule Change To Amend CBOE's Rule Pertaining to Verification Requests for Trade Reporting Minor Rule Violations

August 10, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on July 18, 2007, the Chicago Board Options Exchange, Incorporated ("CBOE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which Items have been substantially prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend CBOE Rule 17.50 (Imposition of Fines for Minor Rule Violations) Interpretation and Policy .02(b) regarding verification requests for fines imposed pursuant to the provisions of CBOE Rule 17.50(g)(4) (Failure to Submit Trade Information on Time and Failure to Submit Trade Information to the Price Reporter).

The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.com>), at the Exchange's principal office, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this proposal is to increase the "look-back" period in connection with determining the maximum number of transactions during a given month for which a member fined under CBOE Rule 17.50(g)(4) can request verification. The Exchange proposes to increase this "look-back" period from a rolling 18-month period to a rolling 24-month period. CBOE Rule 6.51 provides, in part, that a participant in each transaction to be designated by the Exchange must report or ensure the transaction is reported to the Exchange within 90 seconds of the execution, in a form and manner prescribed by the Exchange, so that the trade information may be reported to time and sales reports. Transactions not reported within 90 seconds after execution, in accordance with CBOE Rule 6.51(a)(i), shall be designated as late. The Exchange recently amended CBOE Rule 17.50(g)(4) and lengthened its "look-back" period for assessing fine amounts to a rolling 24-month period for violations of CBOE Rule 6.51 in connection with trade reporting.³ The Exchange believes that lengthening the rolling period for determining the maximum number of transactions during a given month for which a member can submit verification requests to a 24-month period will serve as an

effective deterrent to such violative conduct.

2. Statutory Basis

The Exchange believes that the proposed rule changes will strengthen its ability to carry out its oversight responsibilities as a self-regulatory organization and reinforce its surveillance and enforcement functions. The Exchange believes that the proposed rule change is consistent with section 6(b) of the Act,⁴ in general, and furthers the objectives of section 6(b)(5) of the Act,⁵ in particular, in that it would promote just and equitable principles of trade, facilitate transactions in securities, remove impediments to and perfect the mechanisms of a free and open market and a national market system, and protect investors and the public interest.

B. Self-Regulatory Organization's Statement on Burden on Competition

This proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

(A) By order approve such proposed rule change, or

(B) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:
