

The area described contains 12,030 acres, more or less, according to the BLM National PLSS CadNSDI and the official plats of the surveys of the said lands, on file with the BLM.

The temporary closures will be posted to roads leading into the public lands to notify the public of the closures for the event. The closure area includes the Jean Dry Lake Bed and is bordered by Hidden Valley to the east, Sheep Mountain to the southwest, and the right-of-way boundary of State Route 604. The entire area as listed in the legal description above is closed to all vehicles and personnel except law enforcement, emergency vehicles, event personnel, event participants, and spectators. Access routes leading to the closed area will be signed to indicate a closure ahead. No vehicle stopping or parking in the closed area except for designated parking areas will be permitted. Event participants and spectators are required to remain within designated areas only.

The following restrictions will be in effect for the duration of the closure to ensure public safety of participants and spectators. Unless otherwise authorized, the following activities within the closure area are prohibited:

- Camping.

- Allowing any pet or other animal in a person's care to be unrestrained at any time. Animals must be on a leash or other restraint no longer than 3 feet.
- Operation of any vehicle including any off-highway vehicle (OHV) and golf carts within the closure area, except along designated event routes to and from entrance/exit points and parking areas, or designated event vehicles and official vehicles.
- Parking any vehicle in violation of posted restrictions, or in such a manner as to obstruct or impede normal or emergency traffic movement or the parking of other vehicles, create a safety hazard, or endanger any person, property, or feature. Vehicles so parked are subject to citation, removal, and impoundment at the owner's expense.
- Operating a vehicle through, around, or beyond a restrictive sign,

recognizable barricade, fence, or traffic control barrier or device.

Signs and maps directing the public to designated spectator areas will be provided by the event sponsor.

Exceptions: Temporary closure restrictions do not apply to BLM employees, contractors, or agents engaged in official duties; any Federal, State, or local officer; member of an organized rescue or firefighting force engaged in fire, emergency, or law enforcement activities; public utility employees engaged in emergency repairs; or vehicles owned by or contracted by the United States, the State of Nevada, or Clark County. The closure restrictions also do not apply to vehicles under permit for operation by event staff, contractors, and festival participants.
