Form N-1A; OMB Control No. 3235-0307, SEC File No. 270-21.

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*) the Securities and Exchange Commission (the "Commission") is soliciting comments on the collections of information summarized below. The Commission plans to submit these existing collections of information to the Office of Management and Budget ("OMB") for extension and approval.

Form N-1A (17 CFR 239.15A and 274.11A) is the form used by open-end management investment companies ("funds") under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) ("Investment Company Act") and/or to register their securities under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act"). Section 5 of the Securities Act (15 U.S.C. 77e) requires the filing of a registration statement prior to the offer of securities to the public and that the statement be effective before any securities are sold, and Section 8 of the Investment Company Act (15 U.S.C. 80a-8) requires a fund to register as an investment company. Form N-1A also permits funds to provide investors with a prospectus and a statement of additional information ("SAI") covering essential information about the fund when it makes an initial or additional offering of its securities. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to the sale or at the time of confirmation or delivery of the securities. The form also may be used by the Commission in its regulatory review, inspection, and policy-making roles.

The Commission estimates that there are 48 initial registration statements and 5,642 post-effective amendments to initial registration statements filed on Form N-1A annually and that the average number of portfolios referenced in initial registration statements is 7.5, and the average number of portfolios referenced in post-effective amendment is 1.7. The Commission further estimates that the hour burden for preparing and filing a post-effective amendment on Form N-1A is 133.75 hours per portfolio. The total annual hour burden for preparing and filing post-effective amendments is 1,279,720 hours (5,642 post-effective amendments x 133.75 hours per portfolio). The estimated annual hour burden for preparing and filing initial registration statements is 298,969 hours (48 initial registration statements x 830.47 hours

per portfolio). The total annual hour burden for Form N-1A, therefore, is estimated to be 1,578,689 hours (1,279,720 hours + 298,969 hours).

The information collection requirements imposed by Form N-1A are mandatory. Responses to the collection of information will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Written comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

Please direct your written comments to Thomas Bayer, Chief Information Officer, Securities and Exchange Commission, c/o Remi Pavlik-Simon, 6432 General Green Way, Alexandria, VA 22312; or send an email to: PRA_Mailbox@sec.gov.

Dated: October 29, 2012.

Kevin M. O'Neill,
Deputy Secretary.
