

provides a variety of grant programs to assist the nation's museums and libraries in improving their operations and enhancing their services to the public. Museums and libraries of all sizes and types may receive support from IMLS programs. In the National Leadership Grant program, IMLS funds the digitization of library and museum collections. This study is to determine the feasibility of using the Open Archives Initiative (OAI) metadata harvesting protocol to aggregate and provide integrated item-level search access to the collections that Institute of Museum and Library Services funding has helped to digitize through the National Leadership Grant program and to create a collection level registry of those collections.

Agency: Institute of Museum and Library Services.
