**SUPPLEMENTARY INFORMATION:** The Board's Protective Services Unit (PSU) was established to provide security for the Chairman and other members of the Board of Governors. To facilitate security procedures, the PSU intends to install a software program that was developed for law enforcement entities to monitor activities of individuals under investigation. In the short run, the PSU plans to use this system to monitor the correspondence and/or activities of

individuals that are perceived to present a possible threat to the safety of Board members. At some time in the future, the PSU may expand protection coverage to other senior officials in the Federal Reserve System. Inclusion of individuals in this system will result primarily from correspondence received from such individuals. Information may also be received from law enforcement agencies that have received an indication of a potential threat to members of the Board. The software that is being acquired for this system will allow the PSU to sort files by a variety of subjects, including such things as names, aliases, addresses, zip codes, etc. This will permit the PSU to obtain a better understanding of the threat, if any, that is presented by an individual or group of individuals. Because the data base will contain information concerning an individual that is identified by the name of that individual, it is a "system of records" under the Privacy Act, and a notice must be published in the **Federal Register**.

In accordance with 5 U.S.C. 552a(r), a report of this new system of records is being filed with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Governmental Affairs, and the Office of Management and Budget. This new system of records will become effective on May 21, 2001, without further notice, unless the Board publishes a notice to the contrary in the **Federal Register**.

**GENERAL ACCOUNTING OFFICE**

**Commercial Activities Panel**

**AGENCY:** General Accounting Office.

**ACTION:** Notice.

**SUMMARY:** Section 832 of the National Defense Authorization Act for Fiscal Year 2001 requires the Comptroller General of the United States to convene a panel of experts to study the transfer of commercial activities currently performed by government employees to federal contractors, a procedure commonly known as "contracting out" or "outsourcing." Selection of panel members has been completed and this notice announces the composition of the panel. The authorization act requires the Comptroller General to submit the panel's report to Congress by May 1, 2002.

**FOR FURTHER INFORMATION CONTACT:**

William T. Woods, Project Director, (202) 512-8214; E-mail: [woodsw@gao.gov](mailto:woodsw@gao.gov).

**SUPPLEMENTARY INFORMATION:** Section 832 of the Floyd D. Spence National Defense Authorization Act for Fiscal Year 2001, Public Law 106-398, Oct. 30, 2000, directs the Comptroller General of the United States to convene a panel of experts to study the policies and procedures governing the transfer of commercial activities for the federal government from government personnel to a federal contractor. The panel's study is to include a review of: (1) Procedures for determining whether functions should continue to be performed by government personnel; (2) procedures for comparing the costs of performing functions by government personnel with the costs of performing those functions by federal contractors;

(3) implementation by the Department of Defense of the Federal Activities Inventory Reform Act of 1998 (Pub. L. 105-270, 112 Stat. 2382, 31 U.S.C. 501 note); and (4) procedures of the Department of Defense for public-private competitions under Office of Management and Budget Circular A-76. By May 1, 2002, the Comptroller General must submit to Congress a report of the panel on the results of the study, including recommended changes with regard to implementing policies and enactment of legislation.

The Act requires the Comptroller General or a person within GAO designated by him to serve as the panel's chairman. The Comptroller General must appoint highly qualified and knowledgeable persons to serve on the panel and must ensure that the following entities receive fair representation on the panel: (1) The Department of Defense, (2) persons in private industry, (3) federal labor organizations, and (4) the Office of Management and Budget.

During the initial stages of forming a panel to conduct this study, the General Accounting Office issued a **Federal Register** notice on December 1, 2000, 65 FR 75288, inviting the public to submit suggestions on the composition of the panel. In this notice, GAO invited interested parties to submit suggestions on who should serve on the panel, specific agencies and organizations that should be represented, and the qualifications of panel members. In response to the notice, the GAO received a variety of comments on the composition of the panel, as well as numerous nominations of individuals to serve on the panel. Specifically, the GAO received nominations of 44 individuals, including representatives from the private sector, federal labor organizations, industry groups, research organizations, interest groups, and contractors. The Comptroller General considered all of the comments and nominations and has appointed the following individuals to serve on the Commercial Activities Panel:

- David M. Walker, Chairman, Comptroller General of the United States
- Dr. Frank A. Camm, Senior Economist, RAND
- Mark Filteau, President, Johnson Controls World Services
- Stephen Goldsmith, former Mayor of Indianapolis, Indiana
- Bobby L. Harnage Sr., National President, American Federation of Government Employees
