#### Proposed Project: Programs To Reduce Underage Drinking—(OMB No. 0930-0316)—Revision

The Sober Truth on Preventing Underage Drinking Act (STOP Act) was passed by Congress in 2006, reauthorized in December 2016 as part of the 21st Century Cures Act (Pub. L. 114-255) and the Consolidated Appropriations Act, 2023 (Pub. L. 117-328), and codified into law in 42 U.S.C. 290bb-25b: Programs to reduce underage drinking. The STOP Act contains four primary elements:

1. The award of community-based coalition enhancement grants for underage drinking prevention activities to eligible entities currently receiving funds under the Drug-Free Communities Act of 1997.

2. A national adult-oriented media public service campaign to prevent underage drinking, "Talk. They Hear You.," and an annual report to Congress evaluating the campaign.

3. An annual report to Congress summarizing federal prevention activities and the extent of progress in reducing underage drinking nationally, including data from national surveys conducted by federal agencies.

4. An annual report to Congress "on each State's performance in enacting, enforcing, and creating laws, regulations, and programs to prevent or reduce underage drinking." The survey that is the subject of this request gathers data used to develop the state-by-state report on prevention and enforcement activities related to underage drinking.

Driven by the legislation and coordinated by the Interagency Coordinating Committee on the Prevention of Underage Drinking (ICCPUD), each of these activities work together to prevent and reduce underage drinking. ICCPUD provides national leadership in federal policy and programming to support state and community activities that prevent and reduce underage drinking. The data collection activities described in this package serve to assess the outputs and outcomes of public health messaging and interventions. The data collection activities outlined in this package are:

1. Survey of State Underage Drinking Prevention Policies, Programs, and Practices: An annual survey mandated by the STOP Act legislation sent to an individual designated by the governor of all 50 states and the mayor of the District of Columbia;

2. Policy Academy Evaluations: An assessment of participant capacity and workforce development through ICCPUD's Alcohol Policy Academy and SAMHSA's State and Community Policy Academy;

3. "Parents' Night Out" Evaluation: Tools for distribution of materials and evaluation of presenters and participants, including a solicitation of feedback from presenters, an assessment of changes in knowledge, skills, and confidence of parents and caregivers after receiving the training and materials for "Parents' Night Out" and "Talk. They Hear You." products, as well as Focus Groups with Parents and Campaign Partners.;

4. "Talk. They Hear You." Mobile App Surveys: A parent and caregiver survey and an app satisfaction survey. The parent survey will allow parents to provide their insight on campaign materials, general demographic information, and details on their conversations with youth regarding
