SUPPLEMENTARY INFORMATION:

I. Background

The Institute of Museum and Library Services is the primary source of Federal support for the Nation's 123,000

libraries and 35,000 museums. The Institute's mission is to inspire libraries and museums to advance innovation, learning and civic engagement. The Institute works at the national level and in coordination with State and local organizations to sustain heritage, culture, and knowledge; enhance learning and innovation; and support professional development. IMLS is responsible for identifying national needs for and trends in museum, library, and information services; measuring and reporting on the impact and effectiveness of museum, library and information services throughout the United States, including programs conducted with funds made available by IMLS; identifying, and disseminating information on, the best practices of such programs; and developing plans to improve museum, library and information services of the United States and strengthen national, State, local, regional, and international communications and cooperative networks (20 U.S.C. Chapter 72, 20 U.S.C. 9108).

II. Current Actions

The purpose of this collection is to support a program to increase access to museums for underserved audiences through *Museums for All*, a voluntary program inviting museums to allow Electronic Benefit Transfer (EBT) card holders to receive reduced-price admission to their facilities. This information collection will obtain data from participating museums needed to administer the program, such as institution contact information and a staff person to administer the program. Because this is a new program, additional information will be collected to assess implementation of the program components, the efficacy of Agency supplied materials, and the impact of the program.

SUPPLEMENTARY INFORMATION:

Table of Contents

- I. Introduction
- II. Contents of Filing
- III. Commission Action
- IV. Ordering Paragraphs

I. Introduction

On November 14, 2014, the Postal Service filed a notice, pursuant to 39 CFR 3010.40 *et seq.*, announcing a Type

2 rate adjustment in conjunction with a new negotiated service agreement.¹ The Notice concerns the inbound portion of a bilateral agreement with Royal PostNL BV (PostNL) (Agreement), which the Postal Service seeks to include within the Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators 1 (Docket Nos. MC2010-35, R2010-5 and R2010-6) product. Notice at 1.

II. Contents of Filing

The Postal Service's filing consists of the Notice, two attachments, and redacted and unredacted versions of an Excel file with supporting financial workpapers. *Id.* at 2. Attachment 1 is an application for non-public treatment of material filed under seal with the Commission. *Id.* Attachment 2 is a redacted copy of the Agreement. *Id.* The Postal Service includes a redacted version of the financial workpapers with its filing as a separate public Excel file.

The Postal Service states that the intended effective date of the Agreement is January 1, 2015; asserts that it is providing more than the 45 days advance notice required under 39 CFR 3010.41; and identifies the parties to the Agreement as the United States Postal Service and PostNL, the postal operator for the Netherlands. *Id.* at 3-4.

Reporting requirements. Rule 3010.43 requires the Postal Service to submit a detailed data collection plan. In lieu of a special data collection for the Agreement, the Postal Service proposes to report information on the Agreement through the Annual Compliance Report. *Id.* at 7. The Postal Service also invokes, with respect to service performance measurement reporting under rule 3055.3(a)(3), the standing exception in Order No. 996 for all agreements filed in the Inbound Market Dominant Multi-Service Agreements with Foreign Postal Operators 1 product grouping. *Id.*

Consistency with applicable statutory criteria. The Postal Service observes that Commission review of a negotiated service agreement addresses three statutory criteria, whether the agreement: (1) improves the Postal Service's net financial position or enhances the performance of operational functions; (2) will not cause unreasonable harm to the marketplace; and (3) will be available on public and reasonable terms to similarly-situated mailers. *Id.* at 7-8 (citing 39 U.S.C. 3622(c)(10)). The Postal Service asserts that it addresses the first two criteria in

its Notice and that the third is inapplicable, as there are no entities similarly situated to PostNL in terms of their ability to tender broad-based Letter Post flows from the Netherlands. *Id.* at 8.

Functional equivalence. The Postal Service addresses reasons why it considers the Agreement functionally equivalent to the Koninklijke TNT PostBV and TNT Post PakketService Benelux BV (TNT Agreement) baseline agreement, notwithstanding acknowledgement and identification of similarities and differences.² The Postal Service asserts that it does not consider that the specified differences detract from the conclusion that the Agreement is functionally equivalent to the baseline TNT Agreement. *Id.* at 11.

III. Commission Action

The Commission, in conformance with rule 3010.44, establishes Docket No. R2015-3 to consider issues raised by the Notice. The Commission invites comments from interested persons on whether the Agreement is consistent with 39 U.S.C. 3622 and the requirements of 39 CFR part 3010. Comments are due no later than December 2, 2014. The public portions of this filing can be accessed via the Commission's Web site (<http://www.prc.gov>). Information on how to obtain access to non-public material appears in 39 CFR part 3007.

The Commission appoints James F. Callow to represent the interests of the general public (Public Representative) in this docket.

IV. Ordering Paragraphs

It is ordered:

1. The Commission establishes Docket No. R2015-3 for consideration of matters raised by the Postal Service's Notice.

2. Pursuant to 39 U.S.C. 505, James F. Callow is appointed to serve as an officer of the Commission (Public Representative) to represent the interests of the general public in this proceeding.

3. Comments by interested persons in this proceeding are due no later than December 2, 2014.

4. The Secretary shall arrange for publication of this order in the **Federal Register**.
