

equipment and products with funding provided under this program.

(m) Data Archiving: Any data collected in projects supported by CSCOR/COP must be delivered to a National Data Center (NDC), such as the National Oceanographic Data Center (NODC), in an electronic format to be determined by the institution, the NODC, and Program Officer. It is the responsibility of the institution for the delivery of these data; the DOC will not provide additional support for delivery beyond the award. Additionally, all biological cultures established, molecular probes developed, genetic sequences identified, mathematical models constructed, or other resulting information products established through support provided by CSCOR/COP must be made available to the general research community at no or modest handling charge (to be determined by the institution, Program Officer, and DOC). For more details, refer to CSCOR/COP data policy posted at the COP home page.

(n) Please note that NOAA is developing a policy on internal overhead charges, NOAA scientists considering submission of proposals should contact the appropriate CSCOR/COP Program Manager for the latest information.

(o) Paperwork Reduction Act: This notification involves collection-of-information requirements subject to the Paperwork Reduction Act. The use of Standard Forms 424, 424A, 424B, and SF-LLL has been approved by the Office of Management and Budget (OMB) under control numbers 0348-0043, 0348-0044, 0348-0040 and 0348-0046.

The COP Grants Application Package has been approved by OMB under control number 0648-0384 and includes the following information collections: a Summary Proposal Budget Form, a Project Summary Form, standardized formats for the Annual Performance Report and the Final Report, and the submission of up to 20 copies of proposals. Copies of these forms and formats can be found on the COP Home Page.

Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection displays a currently valid OMB control number.

South Atlantic Fishery Management Council; Public Meeting

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of public meetings.

SUMMARY: The South Atlantic Fishery Management Council's (Council) Scientific and Statistical Committee (SSC) will meet.

DATES: The SSC meeting will be held on November 8, 2000, from 1:30 p.m. to 5 p.m., and on November 9, 2000, from 9 a.m. to 3 p.m.

ADDRESSES: The meetings will be held at the Town & Country Inn, 2008 Savannah Highway, Charleston, SC 29407; telephone: (843) 571-1000 or 1-800/334-6660.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer, telephone: (843) 571-4366; fax: (843) 769-4520; email: kim.iverson@noaa.gov.

SUPPLEMENTARY INFORMATION: The SSC will review and provide comments and guidance on the following: proposed Maximum Sustainable Yield and overfishing definitions to meet Sustainable Fisheries Act requirements; presentations on population assessments and age/growth comparisons for white grunt off the Southeastern coast and age, growth and mortality of gray snapper from the East coast of Florida; status of the vessel capacity program; a report on the status of the spiny lobster fishery in Florida; the status of the Council's activities regarding marine reserves; the rock shrimp limited entry options paper; a report on an ethnographic social network tracing study; a report on the Council/NMFS cost and returns study; and a review of the information available on the use of powerheads to harvest snapper/grouper species.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will

be restricted to those issues specifically identified in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

Special Accommodations

These meetings are physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Council office (see **ADDRESSES**) by October 30, 2000.

Dated: October 12, 2000.
