[B–10–2014]

Proposed Foreign-Trade Zone— Cortland County, New York Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board by Cortland County, New York to establish a foreign-trade zone in Cortland County, adjacent to the Syracuse CBP port of entry, under the alternative site framework (ASF) adopted by the FTZ Board (15 CFR 400.2(c)). The ASF is an option for grantees for the establishment or reorganization of zones and can permit significantly greater flexibility in the designation of new “subzones” or “usage-driven” FTZ sites for operators/users located within a grantee’s “service area” in the context of the FTZ Board’s standard 2,000-acre activation limit for a zone project. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally docketed on February 6, 2014. The applicant is authorized to make the proposal under Chapter 190, Laws of New York, Section 224, 23–a.

The proposed zone would be the fourth zone adjacent to the Syracuse CBP port of entry. The existing zones are as follows: FTZ 90, Onondaga County (Grantee: County of Onondaga, Board Order 230, 11/4/1983); FTZ 172, Oneida County (Grantee: County of Oneida, Board Order 502, 1/8/1991); and, FTZ 285, Chenango County (Grantee: Chenango County, Board Order 1886, 3/25/2013).

The applicant’s proposed service area under the ASF would be Cortland County. If approved, the applicant would be able to serve sites throughout the service area based on companies’ needs for FTZ designation. The proposed service area is adjacent to the Syracuse Customs and Border Protection port of entry. No sites or subzones are being requested at this time.

In accordance with the FTZ Board’s regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application

and case record and to report findings and recommendations to the FTZ Board.

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board’s Executive Secretary at the address below. The closing period for their receipt is April 14, 2014. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to April 28, 2014.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230–0002, and in the “Reading Room” section of the FTZ Board’s Web site, which is accessible via www.trade.gov/ftz.

Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Final Results of Antidumping Duty Changed Circumstances Review

AGENCY: Enforcement and Compliance, formerly Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On December 27, 2013, the Department of Commerce ("the Department") published its *Preliminary Results* of a changed circumstances review ("CCR") of the antidumping duty order on certain new pneumatic off-the-road ("OTR") tires from the People's Republic of China ("PRC").¹ The Department preliminarily determined that Zhongce Rubber Group Company Limited ("Zhongce") is the successor-in-interest to Hangzhou Zhongce Rubber Co., Ltd. ("Hangzhou") and invited parties to comment on the *Preliminary Results*. As no parties submitted subsequent comment, the Department is making no changes to the *Preliminary Results*.

DATES: *Effective Date:* February 12, 2014.

FOR FURTHER INFORMATION CONTACT: Andrew Medley, AD/CVD Operations, Office III, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230; telephone: 202-482-4987.

SUPPLEMENTARY INFORMATION:

Background

On September 4, 2008, the Department published in the **Federal Register** an antidumping duty order on OTR tires from the PRC.² In the third administrative review of the *Order*, Hangzhou received its own calculated rate of 112.41 percent.³

On November 5, 2013, Zhongce requested that the Department conduct a changed circumstances review of the *Order* to confirm that Zhongce is the

successor-in-interest to Hangzhou.⁴ In its submission, Zhongce explained that the only change was to the name of the company, and provided evidence supporting its claim.⁵

On December 27, 2013, we made a preliminary finding that Zhongce is the successor-in-interest to Hangzhou and thus, should receive the same antidumping duty treatment with respect to OTR tires from the PRC as the former Hangzhou.⁶ We also stated that interested parties had 30 days in which to request a hearing and submit case briefs.⁷ No party submitted case briefs. Thus, consistent with 19 CFR 351.216(e), we are issuing this final determination within 45 days of our preliminary finding.

Scope of the Order

The merchandise covered by this *Order* includes new pneumatic tires designed for off-the-road and off-highway use, subject to certain exceptions.⁸ The subject merchandise is currently classifiable under Harmonized Tariff Schedule of the United States ("HTSUS") subheadings: 4011.20.10.25, 4011.20.10.35, 4011.20.50.30, 4011.20.50.50, 4011.61.00.00, 4011.62.00.00, 4011.63.00.00, 4011.69.00.00, 4011.92.00.00, 4011.93.40.00, 4011.93.80.00, 4011.94.40.00, and 4011.94.80.00. The HTSUS subheadings are provided for convenience and customs purposes only; the written product description of the scope of the order is dispositive.

Final Results of Changed Circumstances Review

Because no parties submitted comments opposing the Department's *Preliminary Results*, and because there is no other information or evidence on the record that calls into question the *Preliminary Results*, the Department determines that Zhongce is the successor-in-interest to Hangzhou for the purpose of determining antidumping duty liability.
