SUPPLEMENTARY INFORMATION:

Background: The Committee was established in accordance with the Federal Advisory Committee Act, as amended, 5 U.S.C. App. The Committee is composed of seventeen members nominated by the ASC Executive Director and approved by the Chairman of the ASC in consultation with ASC members. ASCAC members will represent a balance of expertise across the broad range of industry participants, including appraisers, lenders, consumer advocates, real estate agents, and government agencies. All ASCAC members will have extensive experience concerning the appraiser regulatory framework for federally related transactions.

The ASC oversees the real estate appraisal process as it relates to federally related transactions as defined in Title XI of the Financial Institutions Reform, Recovery and Enforcement Act of 1989. The 2010 Dodd-Frank Wall Street Reform and Consumer Protection Act included amendments to Title XI and expanded the ASC's authority to include rulemaking authority in four areas:

(1) Temporary practice; (2) national registries; (3) information sharing; and (4) enforcement. The ASC is primarily seeking independent advice from ASCAC concerning sanctions ASCAC deems advisable for purposes of enforcement of regulations promulgated by the ASC to State appraiser regulatory programs.
