Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Title of Collection: Higher Education Emergency Relief Fund (HEERF) Improper Payments Information Form.

OMB Control Number: 1840-NEW.

Type of Review: A new information collection.

Respondents/Affected Public: Private Sector; State, Local, and Tribal Governments. **Total Estimated Number of Annual Responses:** 5,138.

Total Estimated Number of Annual Burden Hours: 5,138.

Abstract: Under the CARES Act's Higher Education Emergency Relief Fund (HEERF), the Department has made over 12,000 awards to institutions of higher education (IHEs) to support emergency financial aid to students and institutional costs associated with significant changes to the delivery of instruction due to the coronavirus. This form will be used by institutions that have improperly drawn down funds from their award accounts to provide the Department with information regarding funds being returned to correct these improper payments.

Additional Information: An emergency clearance approval for the use of the system is described below due to the following conditions: Under the current unprecedented national health emergency, Congress and the President have come together to offer relief to those individuals and industries affected by the COVID-19

virus under the Coronavirus Aid, Relief, and Economic Security Act or the CARES Act. Under the CARES Act's Higher Education Emergency Relief Fund (HEERF), the U.S. Department of Education (the Department) has made over 12,000 awards to institutions of higher education (IHEs) to support emergency financial aid to students and institutional costs associated with significant changes to the delivery of instruction due to the coronavirus. In the course of monitoring these grant awards, the Department has determined that over 700 IHEs have improperly drawn down funds from their award accounts, totaling over \$202 million in funds that must now be returned. Furthermore, during the time that these funds have been drawn down, grantees are earning additional interest in excess of the \$500 annual cap prescribed by 2 CFR 200.305(b) of the Uniform Guidance. The Department is concerned that this excess interest, without an expeditious inventory and response by our grantees, may be difficult to account. Therefore, in order to process the return of these funds more efficiently and prevent any further earnings beyond the interest cap, we are requesting emergency approval of a short form that will allow the grantee to provide the Department with information regarding the funds being returned.

Dated: January 8, 2021.

PRA Coordinator, Strategic Collections and Clearance Governance and Strategy Division, Office of Chief Data Officer.
