

H. Steps Taken To Minimize Significant Economic Impact on Small Entities, and Significant Alternatives Considered

40. The RFA requires an agency to describe any significant alternatives that it has considered in reaching its approach, which may include the following four alternatives, among others: (1) The establishment of differing compliance or reporting requirements or timetables that take into account the resources available to small entities; (2) the clarification, consolidation, or simplification of compliance or reporting requirements under the rule for small entities; (3) the use of performance, rather than design, standards; and (4) an exemption from coverage of the rule, or any part thereof, for small entities.

41. We sought to minimize the burdens imposed on small entities where doing so would not compromise the goals of the universal service low-income mechanism. In order to minimize the impact on ETCs, and under the advisement of a number of industry representatives, we have placed the burden of checking for duplicate claims upon USAC, rather than ETCs. Furthermore, the duplicate resolution process set forth in the order requires USAC to notify an ETC which customers should be de-enrolled from the ETC's Lifeline program.

I. Report to Congress

42. The Commission will send a copy of the order, including this FRFA, in a report to be sent to Congress and the Government Accountability Office pursuant to the Small Business Regulatory Enforcement Fairness Act of 1996. In addition, the Commission will send a copy of the order, including the FRFA, to the Chief Counsel for Advocacy of the Small Business Administration. A copy of the order and FRFA (or summaries thereof) will also be published in the **Federal Register**.

Defense Federal Acquisition Regulation Supplement (DFARS); Assignment of Order Codes (DFARS Case 2011-D004)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: The Department of Defense is issuing a final rule amending the Defense Federal Acquisition Regulation Supplement (DFARS) to specify Defense

Procurement and Acquisition Policy, Program Development and Implementation, as the office responsible for maintaining order code assignments. The order code procedures are moved from the DFARS to its companion resource, DFARS Procedures, Guidance, and Information.

DATES: *Effective Date:* June 29, 2011

FOR FURTHER INFORMATION CONTACT: Mr. Julian Thrash, 703-602-0310.

SUPPLEMENTARY INFORMATION:

I. Background

Director, Defense Procurement and Acquisition Policy letter dated September 21, 2010, replaced the Defense Logistics Agency with Defense Procurement and Acquisition Policy, Program Development and Implementation, as the responsible office for the maintenance of all order code assignments for use in the first two positions of an order number when an activity places an order against another activity's contract or agreement. In addition, the procedures and addresses for order code monitors are moved to the DFARS companion resource, DFARS Procedures, Guidance, and Information.

II. Regulatory Flexibility Act

The Regulatory Flexibility Act does not apply to this rule because an initial regulatory flexibility analysis is only required for proposed or interim rules that require publication for public comment (5 U.S.C. 603) and a final regulatory flexibility analysis is only required for final rules that were previously published for public comment, and for which an initial regulatory flexibility analysis was prepared (5 U.S.C. 604).

This final rule does not constitute a significant DFARS revision as defined at FAR 1.501-1 because this rule will not have a significant cost or administrative impact on contractors or offerors, or a significant effect beyond the internal operating procedures of the Government. Therefore, publication for public comment under 41 U.S.C. 1707 is not required.

III. Paperwork Reduction Act

The final rule does not contain any information collection requirements that require the approval of the Office of Management and Budget under the Paperwork Reduction Act (44 U.S.C. chapter 35).

Defense Federal Acquisition Regulation Supplement; Extension of Restrictions on the Use of Mandatory Arbitration Agreements (DFARS Case 2011-D035)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Final rule.

SUMMARY: DoD is issuing a final rule to implement section 8102 of the DoD and Full-Year Continuing Appropriations Act, 2011 and similar sections in subsequent appropriations acts, to extend the restriction on the use of mandatory arbitration agreements, when awarding contracts that exceed \$1 million, to use of 2011 and subsequent fiscal year funds appropriated or otherwise made available by this Act or any subsequent DoD appropriation act. Section 8102

allows the Secretary of Defense to waive applicability to a particular contractor or subcontractor, if determined necessary to avoid harm to national security.

DATES: *Effective date:* June 29, 2011.

FOR FURTHER INFORMATION CONTACT: Mr. Julian Thrash, 703-602-0310.

SUPPLEMENTARY INFORMATION:**I. Background**

Section 8102 of the DoD and Full-Year Continuing Appropriations, 2011 (Pub. L. 112-10), prohibits the use of Fiscal Year (FY) 2011 funds for any contract (including task or delivery orders and bilateral modifications adding new work) in excess of \$1 million, if the contractor restricts its employees to arbitration for claims under title VII of the Civil Rights Act of 1964, or tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention.

This rule does not apply to the acquisition of commercial items. Section 8102(b) requires the contractor to certify compliance by subcontractors.

Additionally, enforcement of the mandatory arbitration provisions related to the covered areas, does not affect the enforcement of other aspects of an agreement that is not related to those areas.

This rule allows the Secretary of Defense to waive applicability to a particular contract or subcontract, if determined necessary to avoid harm to national security.

Section 8102 of the DoD and Full-Year Continuing Appropriations, 2011, extends the restrictions of section 8116 of the Defense Appropriations Act for Fiscal Year 2010 (Pub. L. 111-118). In implementing section 8116, public comments were obtained under DFARS Case 2010-D004.

This final rule does not constitute a significant DFARS revision as defined at FAR 1.501-1 because the requirements are already in place and this final rule merely extends the existing DFARS coverage. Therefore, there is no significant cost or administrative impact on contractors or offerors resulting from issuance of this rule and public comment is not required in accordance with 41 U.S.C. 1707(a).

Since DoD anticipates that this will be an ongoing requirement, this rule applies to use of all subsequent fiscal year funds appropriated or otherwise made available under subsequent DoD appropriations acts. If the restriction is

removed at a future date, DoD will amend the DFARS accordingly.

II. Executive Orders 12866 and 13563

Executive Orders 12866 and 13563 direct agencies to assess all costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits (including potential economic, environmental, public health and safety effects, distributive impacts, and equity). Executive Order 13563 emphasizes the importance of quantifying both costs and benefits, of reducing costs, of harmonizing rules, and of promoting flexibility. This is a significant regulatory action and, therefore, was subject to review under section 6(b) of Executive Order 12866, Regulatory Planning and Review, dated September 30, 1993. This rule is not a major rule under 5 U.S.C. 804.

III. Regulatory Flexibility Act

The Regulatory Flexibility Act does not apply to this rule. This final rule does not constitute a significant DFARS revision within the meaning of FAR 1.501 and public comment is not required in accordance with 41 U.S.C. 1707.

IV. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
