

Form N-4 is the form used by insurance company separate accounts organized as unit investment trusts that offer variable annuity contracts to register as investment companies under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) and/or to register their securities under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*). Section 5 of the Securities Act (15 U.S.C. 77e) requires the filing of a registration statement prior to the offer of securities to the public and that the registration statement be effective before any securities are sold, and Section 8 of the Investment Company Act (15 U.S.C. 80a-8) provides for the registration of investment companies. Pursuant to Form N-4, separate accounts organized as unit investment trusts that offer variable annuity contracts provide investors with a prospectus and a statement of additional information covering essential information about a separate account. Section 5(b) of the Securities Act requires that investors be provided with a prospectus containing the information required in a registration statement prior to or at the time of sale or delivery of securities.

The purpose of Form N-4 is to meet the filing and disclosure requirements of the Securities Act and the Investment Company Act and to enable filers to provide investors with information necessary to evaluate an investment in a security. The information required to be filed with the Commission permits verification of compliance with securities law requirements and assures the public availability and dissemination of the information.

The estimated annual number of filings on Form N-4 is 124 initial registration statements and 1,127 post-effective amendments. The estimated average number of portfolios per filing is one, both for initial registration statements and post-effective amendments on Form N-4. Accordingly, the estimated number of portfolios referenced in initial Form N-4 filings annually is 124 and the estimated number of portfolios referenced in post-effective amendment filings on Form N-4 annually is 1,127. The estimate of the annual hour burden for Form N-4 is approximately 278.5 hours per initial registration statement and 197.25 hours per post-effective amendment, for a total of 256,834.75 hours ((124 initial registration statements × 278.5 hours) + (1,127 post-effective amendments × 197.25 hours)).

The current estimated annual cost burden for preparing an initial Form N-4 filing is \$22,319 per portfolio and the current estimated annual cost burden for preparing a post-effective

amendment filing on Form N-4 is \$21,155 per portfolio. The Commission estimates that, on an annual basis, 124 portfolios will be referenced in initial Form N-4 filings and 1,127 portfolios will be referenced in post-effective amendment filings on Form N-4. Thus, the estimated total annual cost burden allocated to Form N-4 would be \$26,609,241 ((124 × \$22,319) + (1,127 × \$21,155)).

Providing the information required by Form N-4 is mandatory. Responses will not be kept confidential. Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Submission for OMB Review; Comment Request

Extension:

Form N-6; SEC File No. 270-446 ; OMB Control No. 3235-0503.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995

(44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

The title for the collection of information is "Form N-6 (17 CFR 239.17c and 274.11d) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) and under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) registration statement of separate accounts organized as unit investment trusts that offer variable life insurance policies." Form N-6 is the form used by insurance company separate accounts organized as unit investment trusts that offer variable life insurance contracts to register as investment companies under the Investment Company Act of 1940 and/or to register their securities under the Securities Act of 1933. The primary purpose of the registration process is to provide disclosure of financial and other information to investors and potential investors for the purpose of evaluating an investment in a security. Form N-6 also requires separate accounts organized as unit investment trusts that offer variable life insurance policies to provide investors with a prospectus and a statement of additional information ("SAI") covering essential information about the separate account when it makes an initial or additional offering of its securities.

The Commission estimates that approximately 436 registration statements (429 post-effective amendments plus 7 initial registration statements) are filed on Form N-6 annually. The estimated hour burden per portfolio for preparing and filing an initial registration statement on Form N-6 is 770.25 hours. The estimated annual hour burden for preparing and filing initial registration statements is 5,391.75 hours (7 initial registration statements annually times 770.25 hours per registration statement). The Commission estimates that the hour burden for preparing and filing a post-effective amendment on Form N-6 is 67.5 hours. The total annual hour burden for preparing and filing post-effective amendments is 28,957.5 hours (429 post-effective amendments annually times 67.5 hours per amendment). The frequency of response is annual. The total annual hour burden for Form N-6, therefore, is estimated to be 34,349.25 hours (5,391.75 hours for initial registration statements plus 28,957.5 hours for post-effective amendments).

The Commission estimates that the cost burden for preparing an initial

Form N-6 filing is \$23,440 per portfolio and the current cost burden for preparing a post-effective amendment to a previously effective registration statement is \$8,523 per portfolio. The Commission estimates that, on an annual basis, 7 portfolios will be referenced in an initial Form N-6 and 429 portfolios will be referenced in a post-effective amendment of Form N-6. Thus, the total cost burden allocated to Form N-6 would be \$3,820,447.

The information collection requirements imposed by Form N-6 are mandatory. Responses to the collection of information will not be kept confidential. Estimates of average burden hours are made solely for the purposes of the Paperwork Reduction Act, and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid control number.

Comments must be submitted to OMB within 30 days of this notice.

SECURITIES AND EXCHANGE COMMISSION

Submission for OMB Review; Comment Request

Extension:

Form 1-E, Regulation E; SEC File No. 270-221; OMB Control No. 3235-0232.

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Form 1-E (17 CFR 239.200) under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) ("Securities Act") is the form that a small business investment company ("SBIC") or business development company ("BDC") uses to notify the Commission that it is claiming an exemption under Regulation E from registering its securities under the Securities Act. Rule 605 of Regulation E (17 CFR 230.605) under the Securities Act requires an SBIC or BDC claiming such an exemption to file an offering circular with the Commission that must also be provided to persons to whom an offer is made. Form 1-E requires an issuer to provide the names and addresses of the issuer, its affiliates, directors, officers, and counsel; a description of events which would make the exemption unavailable; the jurisdictions in which the issuer intends to offer the securities; information about unregistered securities issued or sold by the issuer within one year before filing the notification on Form 1-E; information as to whether the issuer is presently offering or contemplating offering any other securities; and exhibits, including copies of the rule 605 offering circular and any underwriting contracts.

The Commission uses the information provided in the notification on Form 1-E and the offering circular to determine whether an offering qualifies for the exemption under Regulation E. It is estimated that one issuer files approximately two notifications, together with attached offering circulars, on Form 1-E with the Commission annually. The Commission estimates that the total burden hours for preparing these notifications would be 200 hours in the aggregate. Estimates of the burden hours are made solely for the purposes of the PRA, and are not derived from a comprehensive or even a representative survey or study of the costs of SEC rules and forms.

Compliance with the information collection requirements of the rules is necessary to obtain the benefit of relying on the rules. The information provided on Form 1-E and in the offering circular will not be kept confidential. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it

displays a currently valid OMB control number.

Comments must be submitted to OMB within 30 days of this notice.

Notice is hereby given that, under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520), the Securities and Exchange Commission (the "Commission") has submitted to the Office of Management and Budget a request for extension of the previously approved collection of information discussed below.

Rule 17f-6 (17 CFR 270.17f-6) under the Investment Company Act of 1940 (15 U.S.C. 80a) permits registered investment companies ("funds") to maintain assets (*i.e.*, margin) with futures commission merchants ("FCMs") in connection with commodity transactions effected on both domestic and foreign exchanges.
